

HANGCHA

HANGCHA AERIAL PLATFORM EQUIPMENT CO.,LTD

76	Working height / 工作高度 : 7.6m
X	X-shape Scissor type / X形剪叉式
E	Electric / 电动式
N	New Series / 新系列
D	Direct current / 直流

Edit by Bruce Chan

1. Monitor panel definition / 显示屏面板介绍

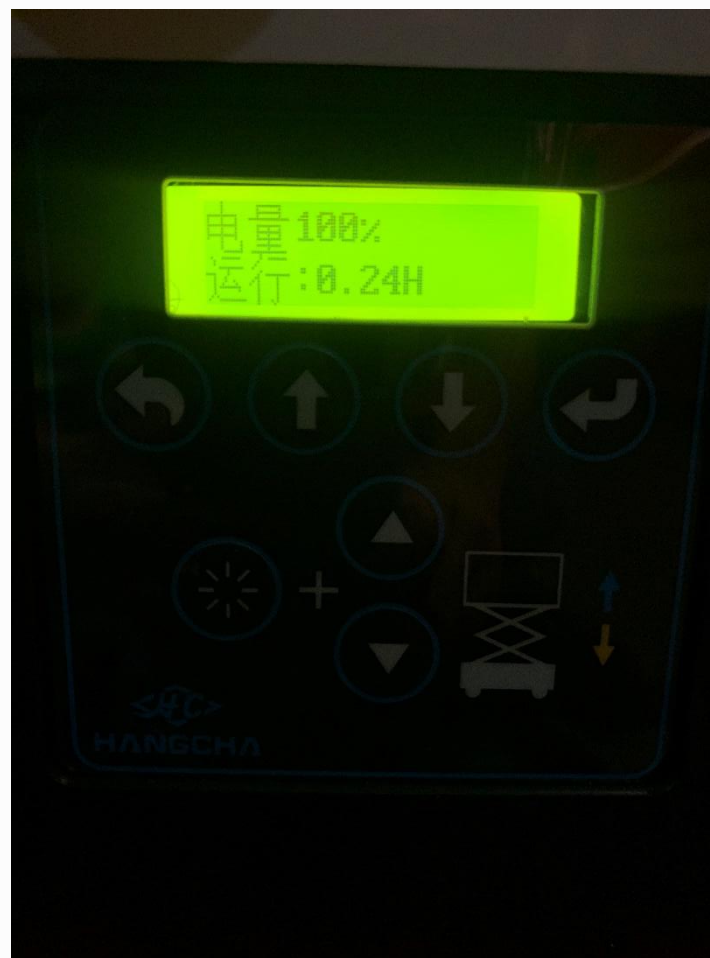

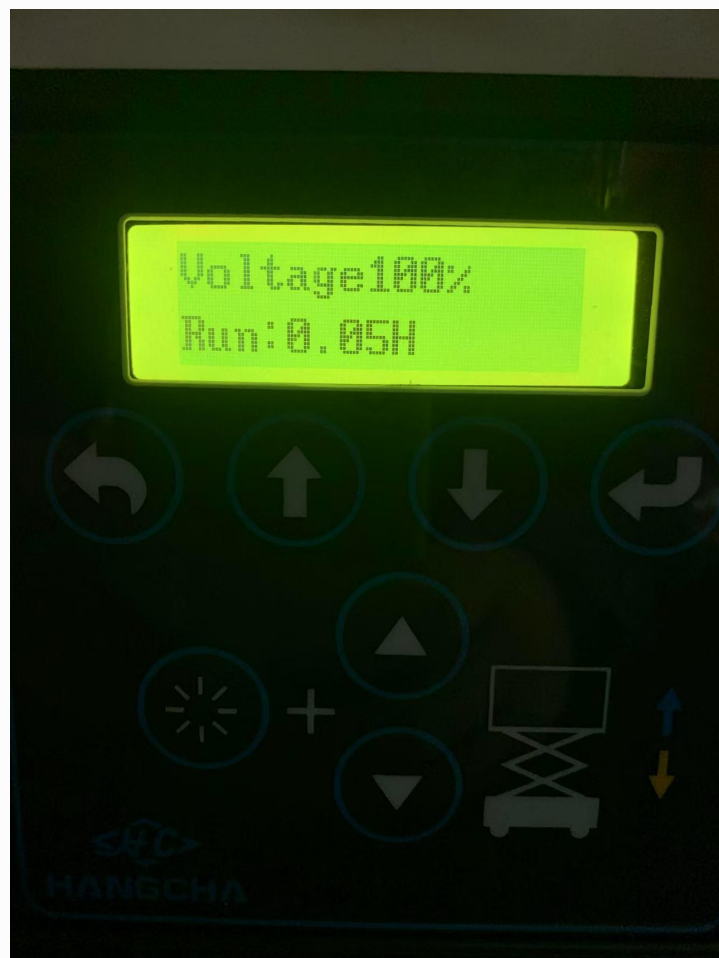

1). Button / 按键介绍

1. LCD display / LED显示屏
2. Return / 返回按键
3. Up / 上翻页按键
4. Down / 下翻页按键
5. Confirm / 确认按键
6. Enable / 使能按键
7. Lifting / 上升按键
8. Lowering / 下降按键
9. Weight function indicator / 称重功能指示灯

1. Monitor panel definition / 显示屏面板介绍

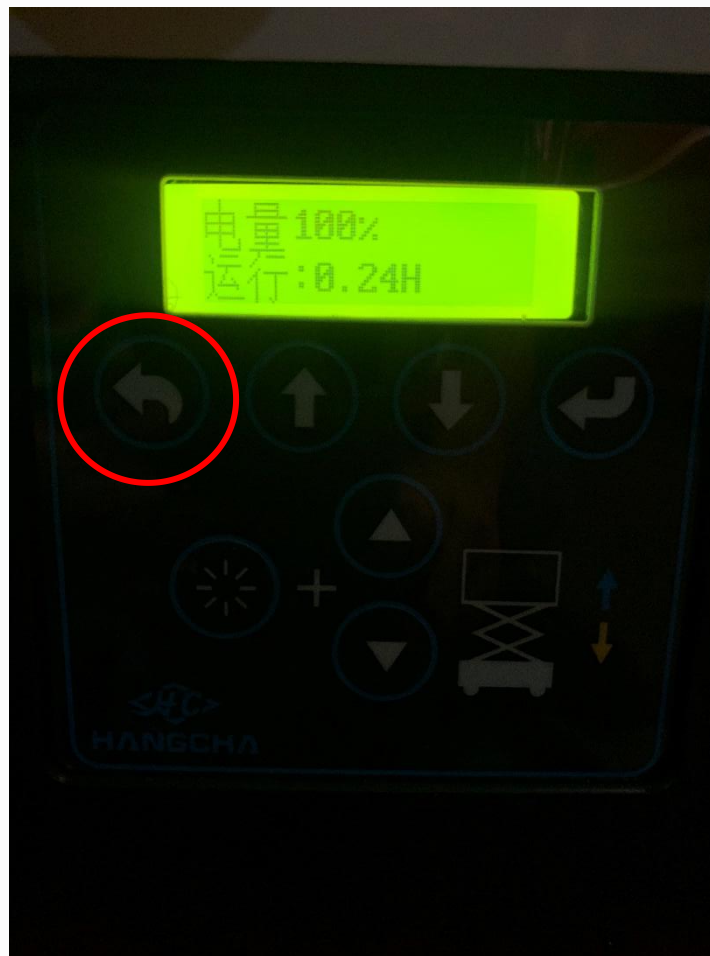

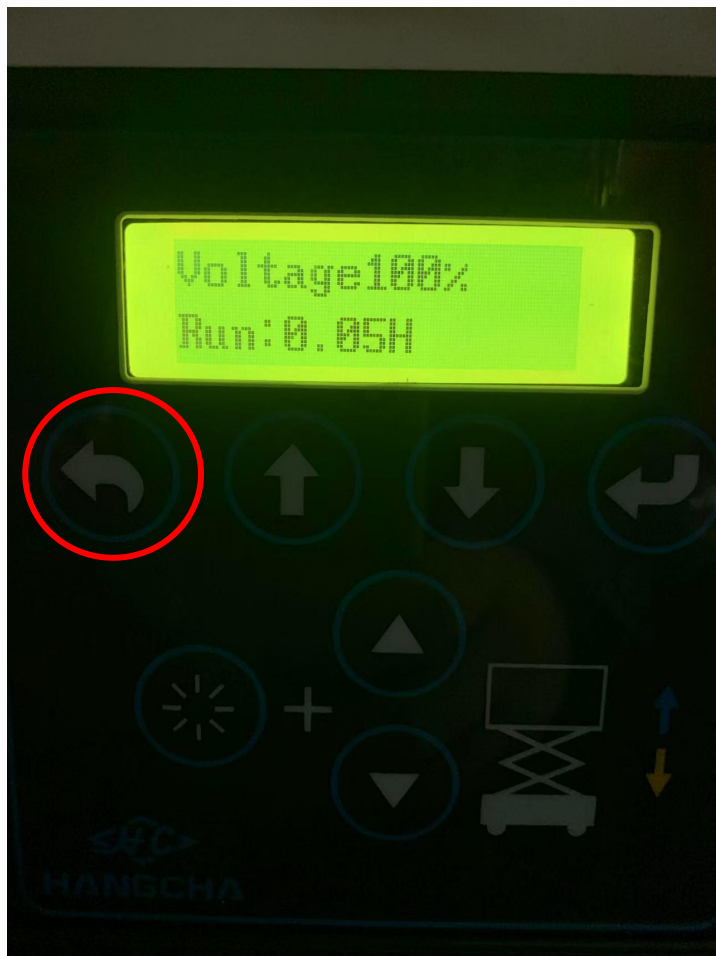

2). LED display indicate / LED显示屏显示信息

- 1.) Battery voltage percentage
电池电量百分比
- 2.) Machine running hour
设备工作小时

2. Input&Output information / 输入输出信息

1). Information access / 如何进入查询界面

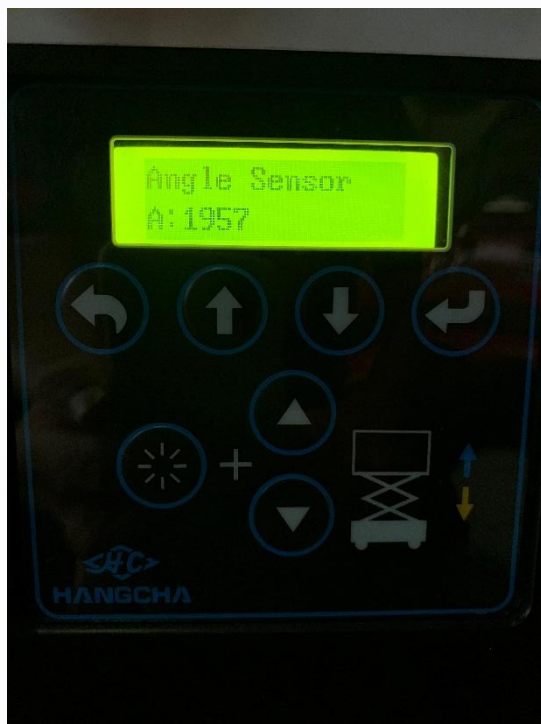

Keep press "Return" button for 5s

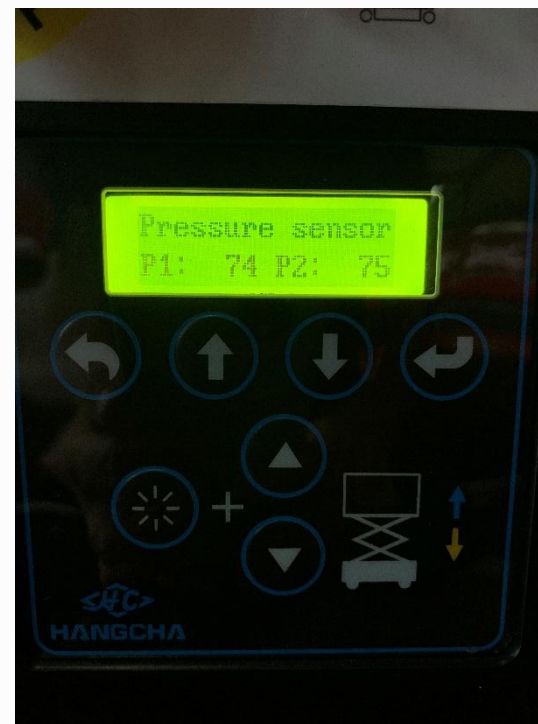

长按“返回键”约5秒

2. Input&Output information / 输入输出信息

2). Information details / 端口信息

Angle Sensor / 角度传感器

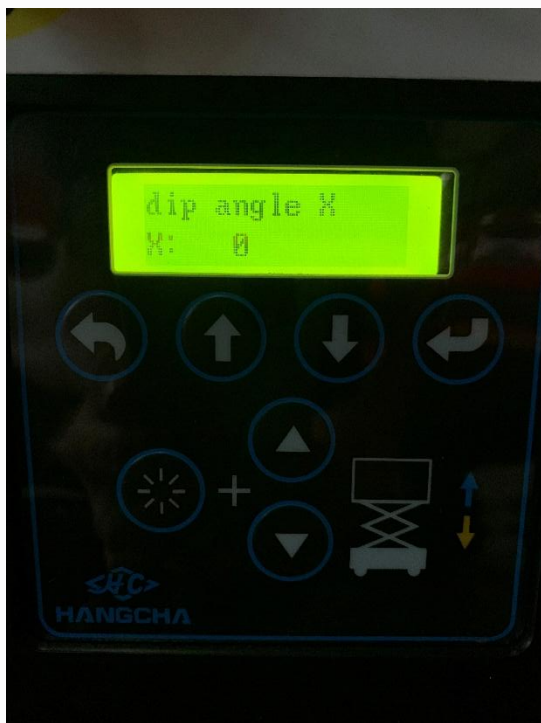

Pressure sensor / 压力传感器

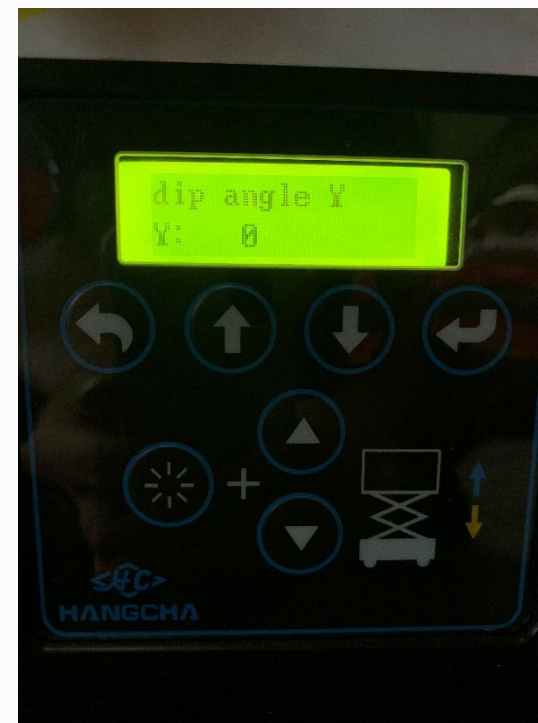

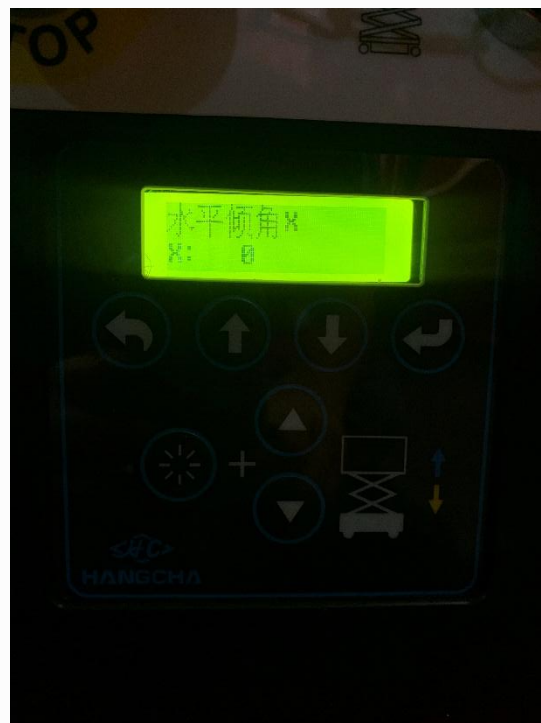

2. Input&Output information / 输入输出信息

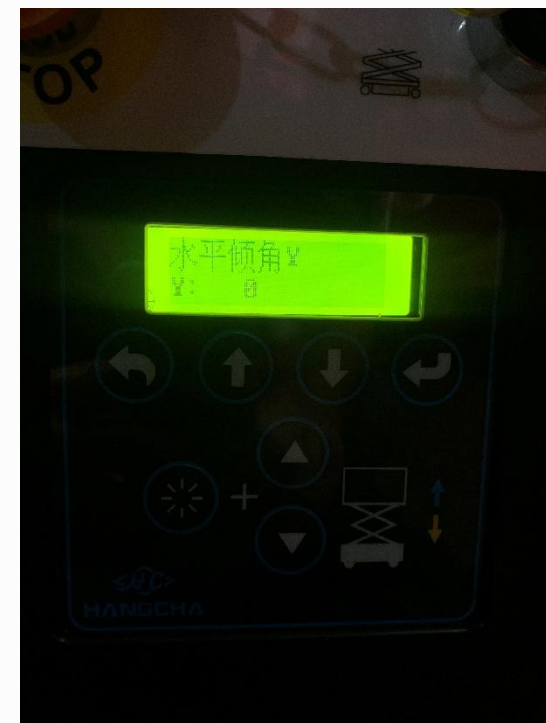

2). Information details / 端口信息

Dip angle X / 水平倾角X

Dip angle Y /水平倾角Y

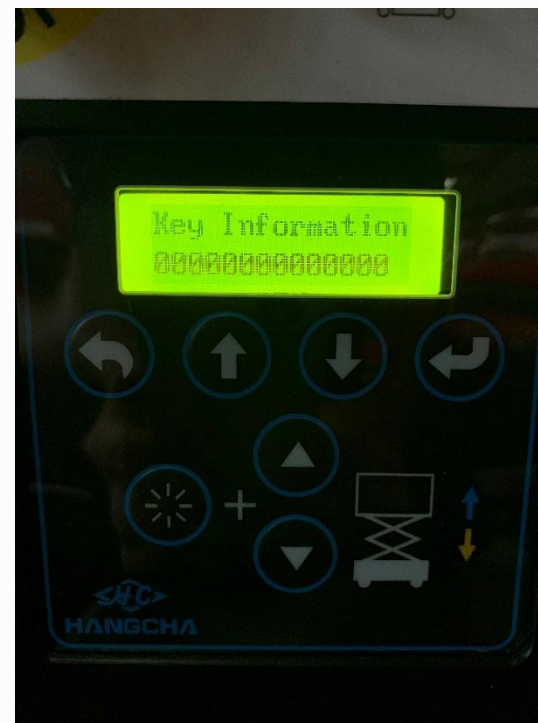

2. Input&Output information / 输入输出信息

2). Information details / 端口信息

Battery Voltage / 电池电压

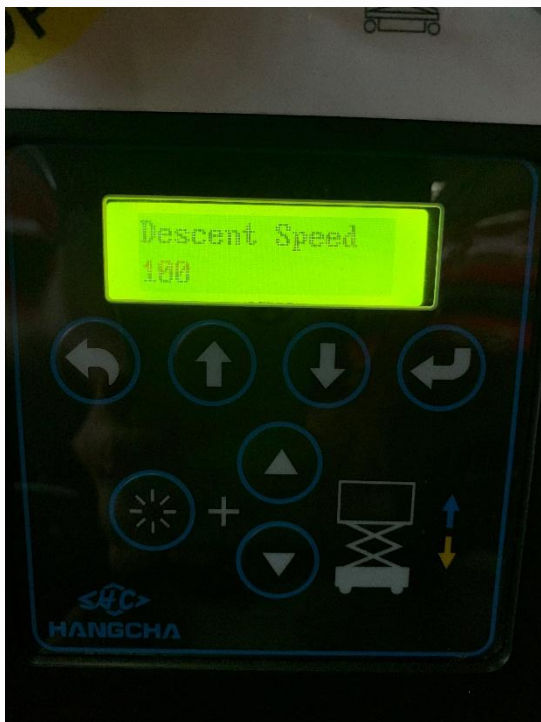

Key Information/ 按键信息

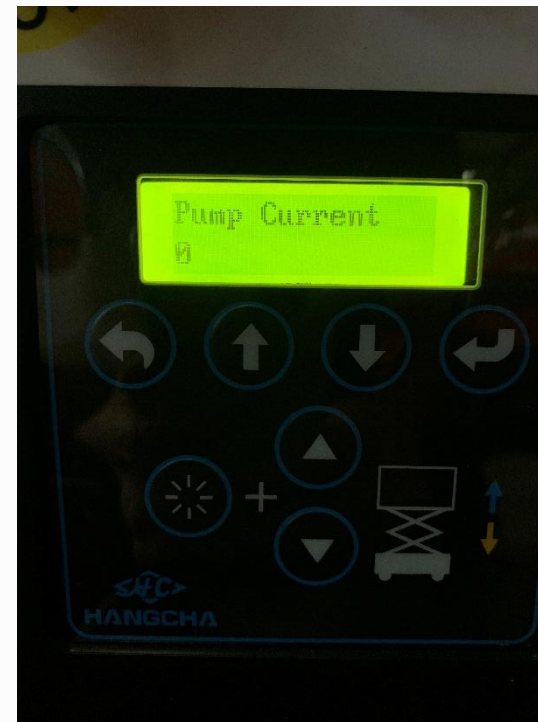

2. Input&Output information / 输入输出信息

2). Information details / 端口信息

Descent Speed / 下降速度

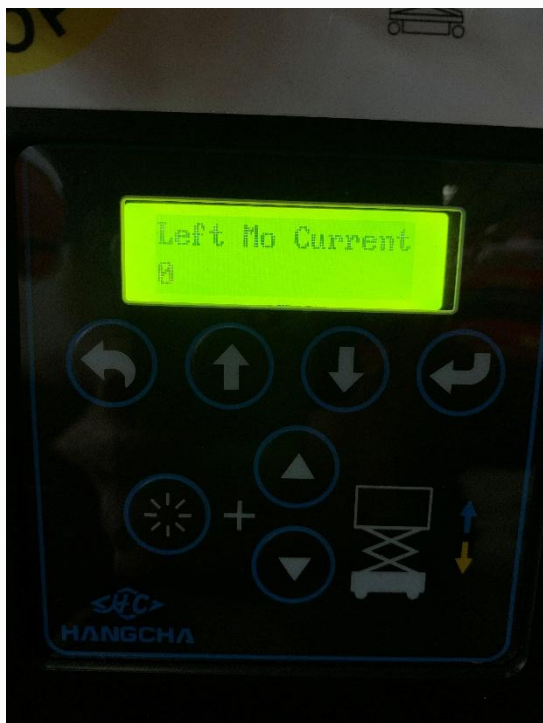

Pump Current / 泵机电流

1. Monitor panel definition / 显示屏面板介绍

2). Information details / 端口信息

Left Motor Current / 左行走电机电流

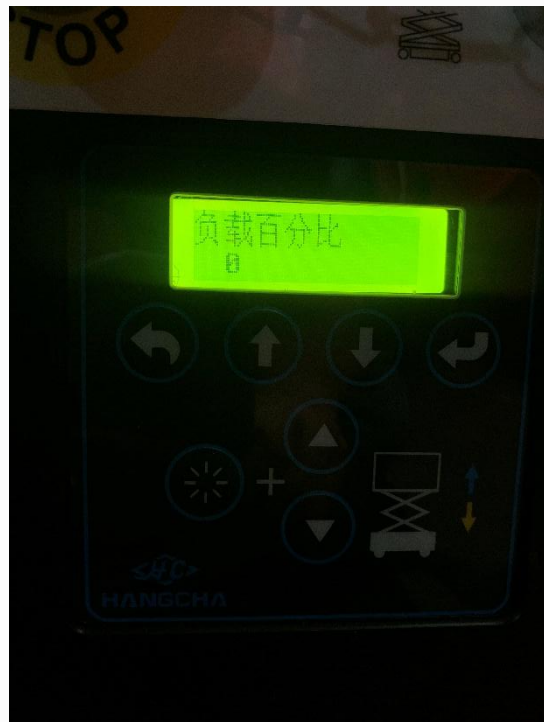

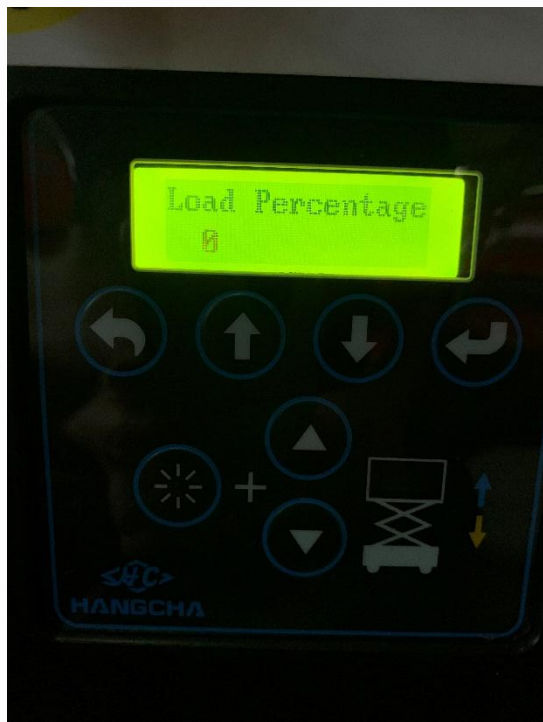

Right Motor Current / 右行走电机电流

2. Input&Output information / 输入输出信息

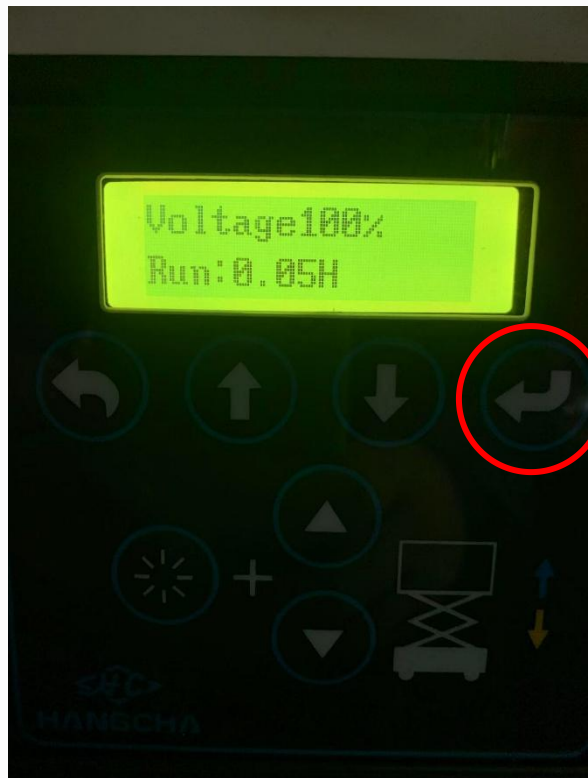

2). Information details / 端口信息

Load Percentage / 负载百分比

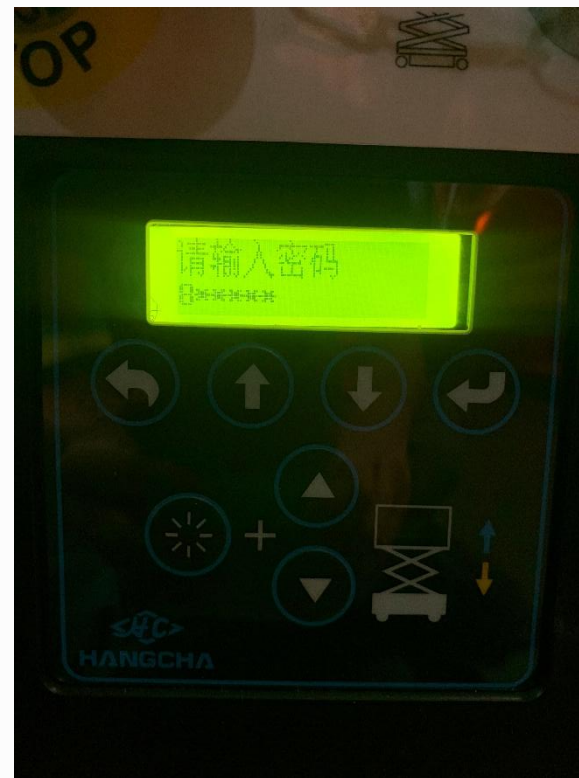

3. Parameter setting / 参数设置

0). Setting access / 如何进入设置界面

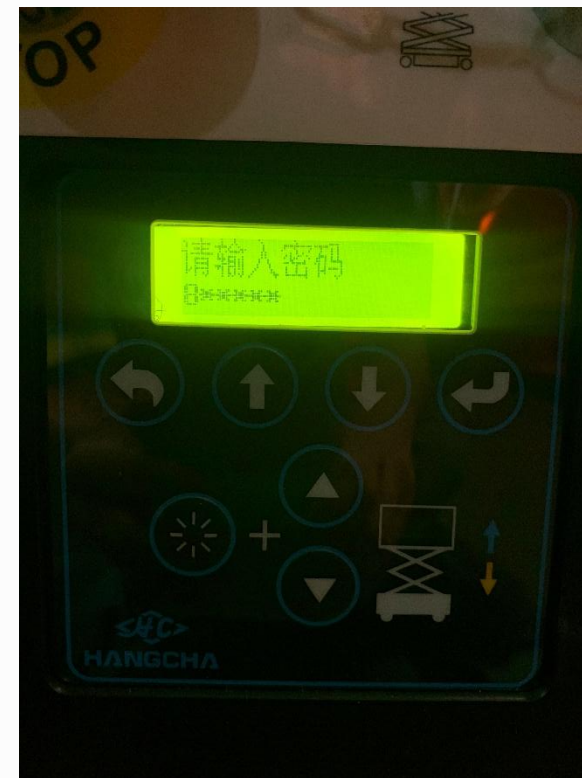

Keep press "**Confirm**" button for 5s

长按 "**确认键**" 约5秒

Input password "**870931**"

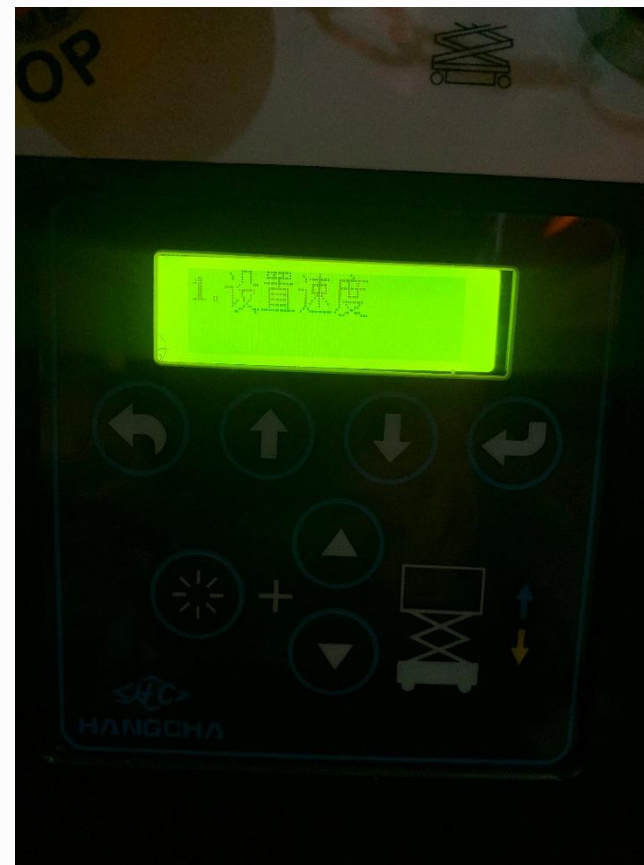

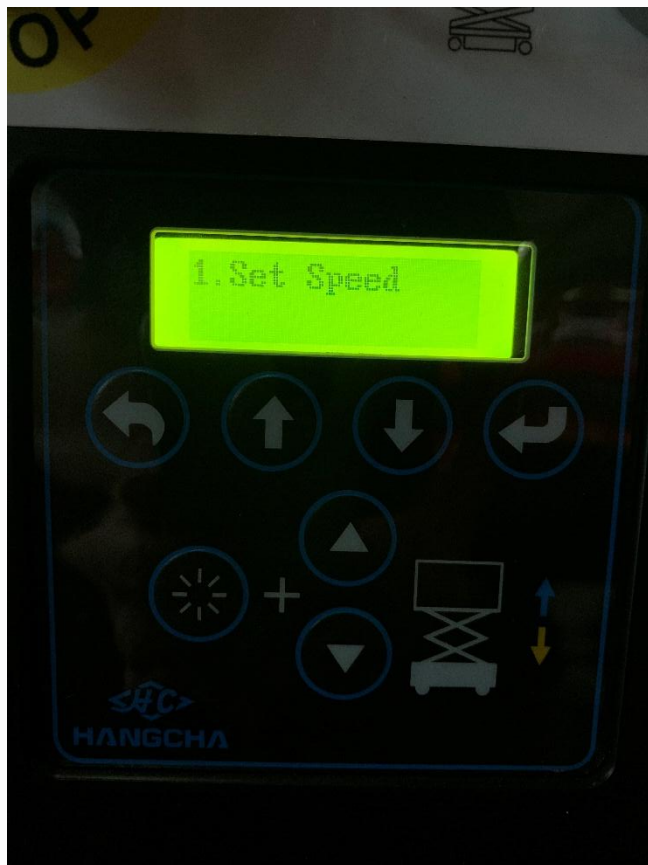

输入密码 "**870931**"

Service is our business!

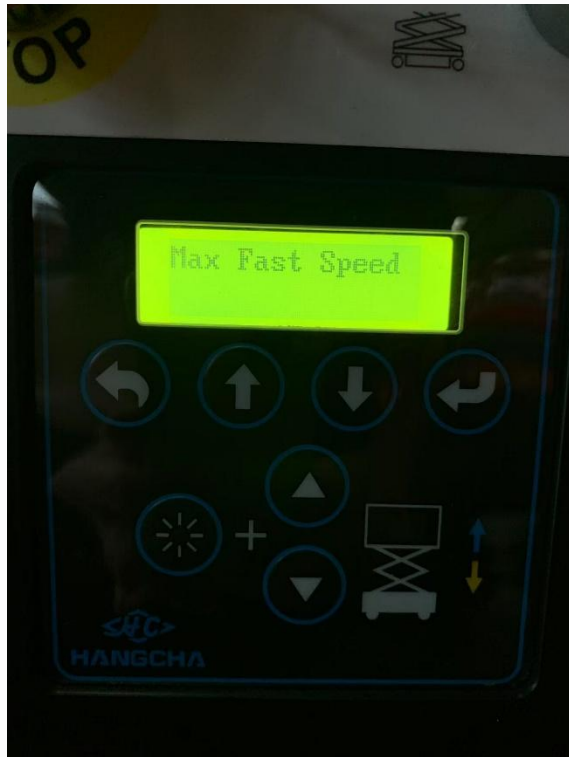

3. Parameter setting / 参数设置

1). Set Speed / 设置速度

3. Parameter setting / 参数设置

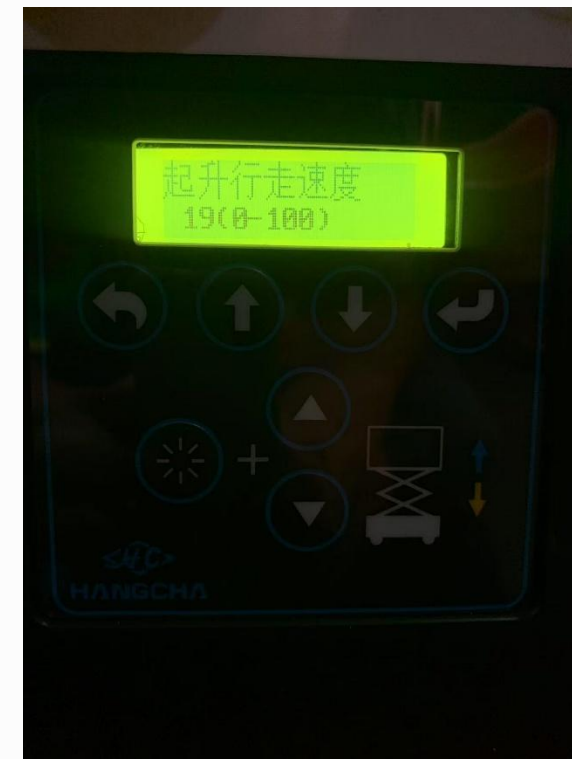

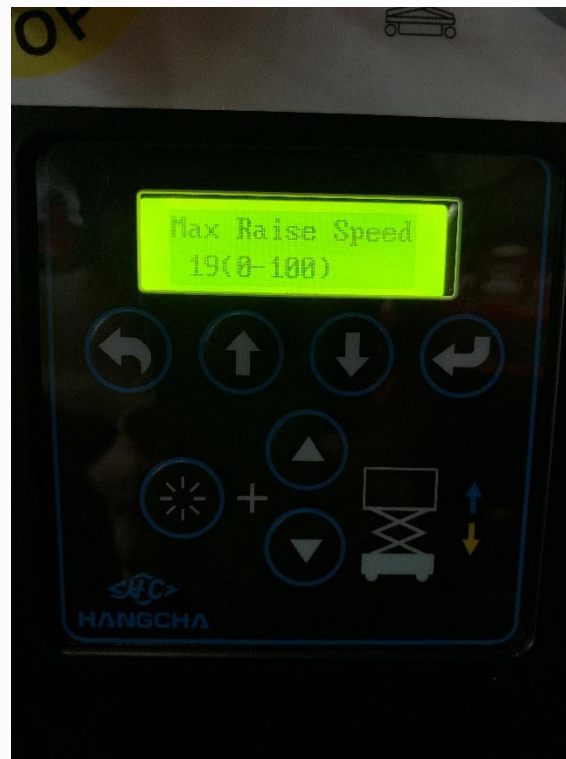

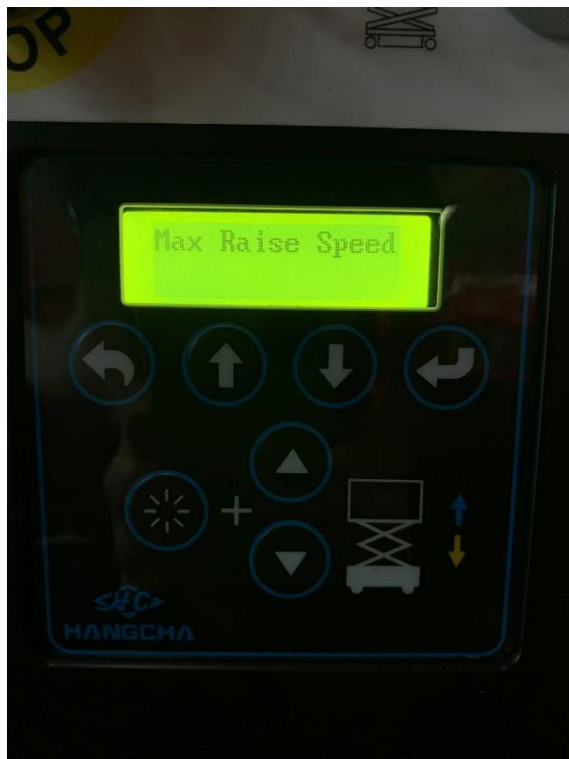

Max Fast Speed / 快速行走速度

Service is our business!

3. Parameter setting / 参数设置

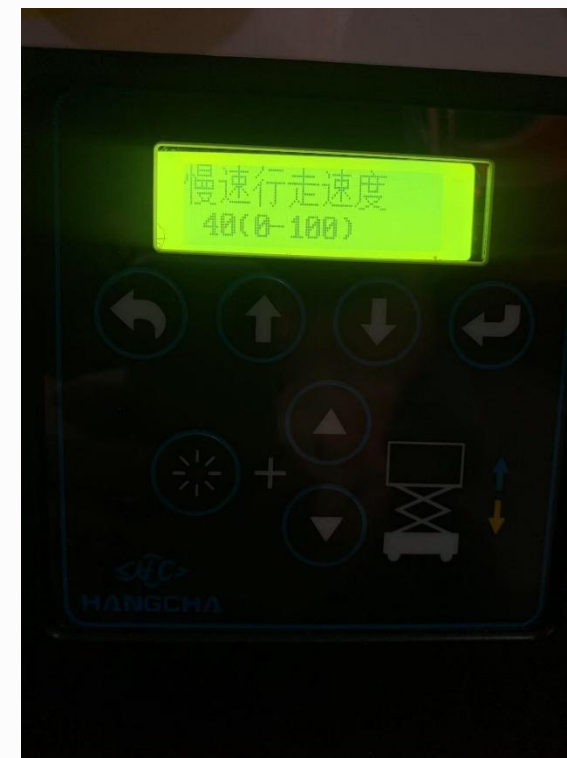

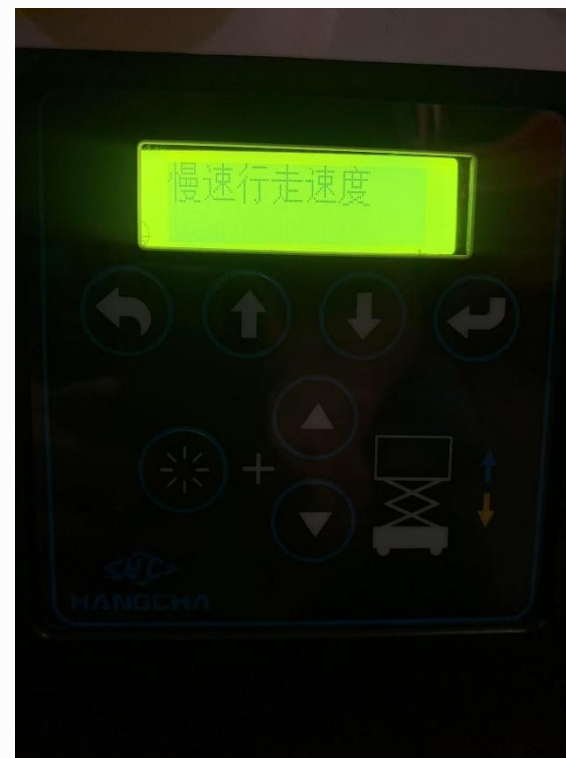

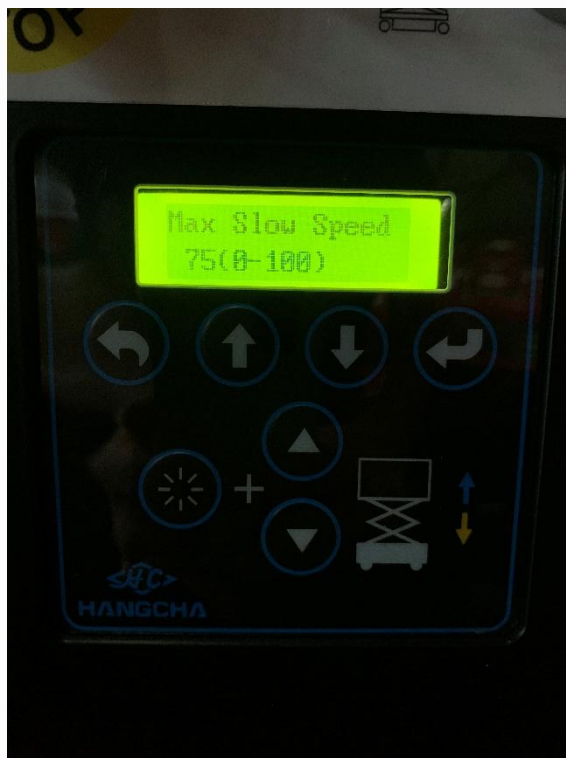

Max Raise Speed / 起升行走速度

Service is our business!

3. Parameter setting / 参数设置

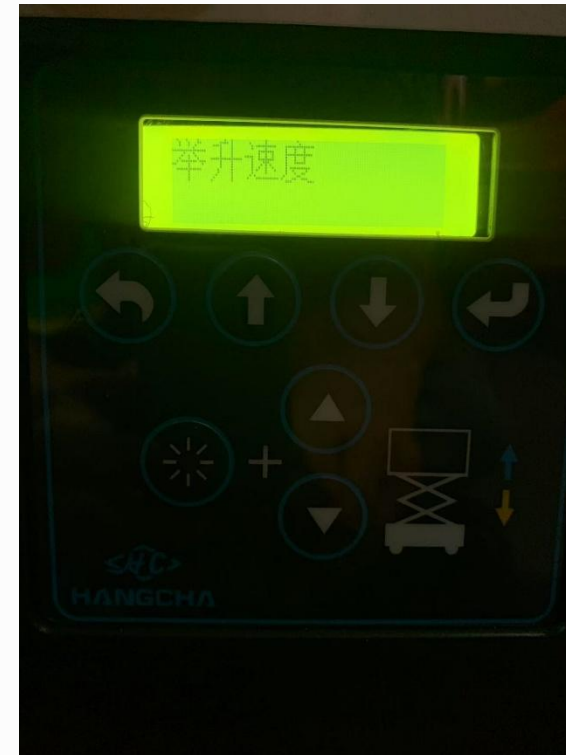

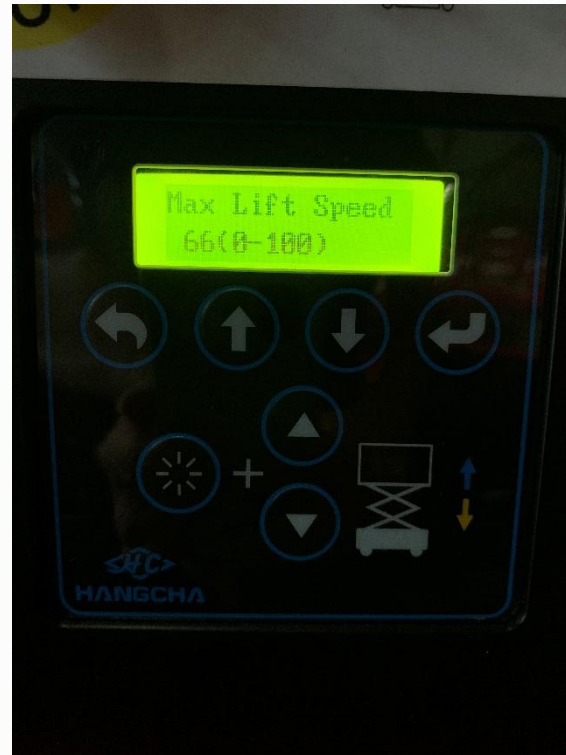

Max Slow Speed / 慢速行走速度

Service is our business!

3. Parameter setting / 参数设置

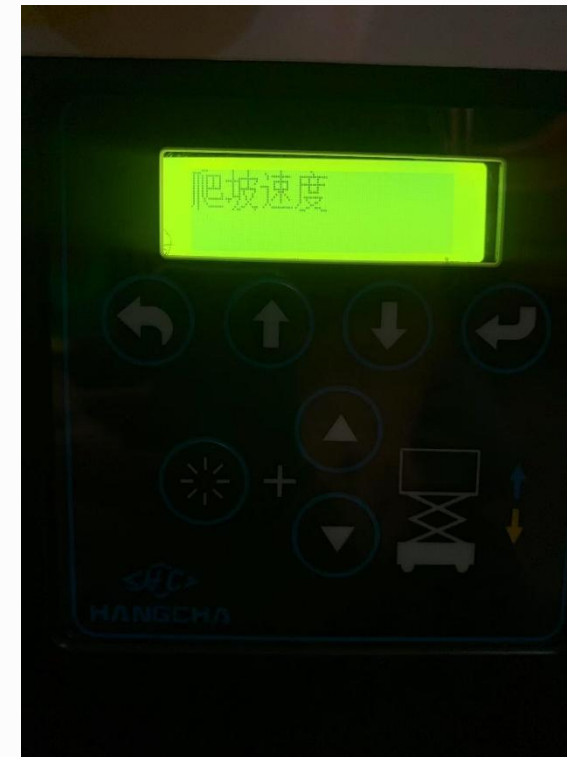

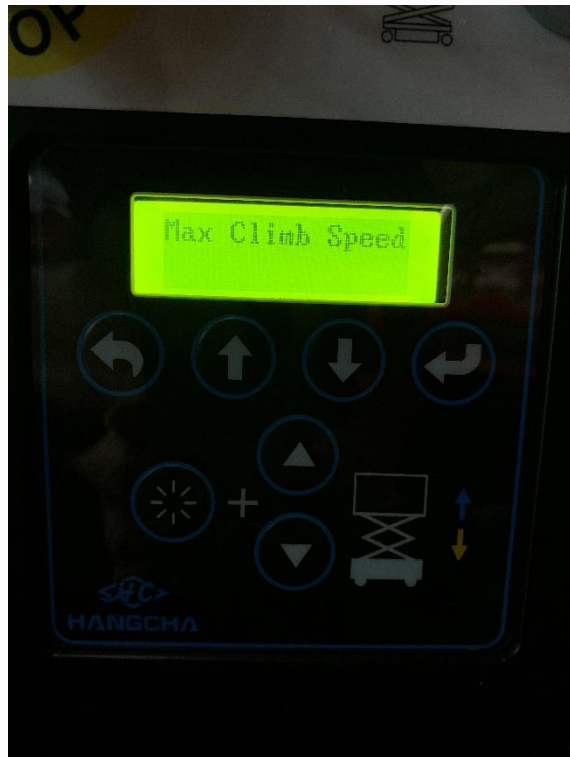

Max Lift Speed / 举升速度

Service is our business!

3. Parameter setting / 参数设置

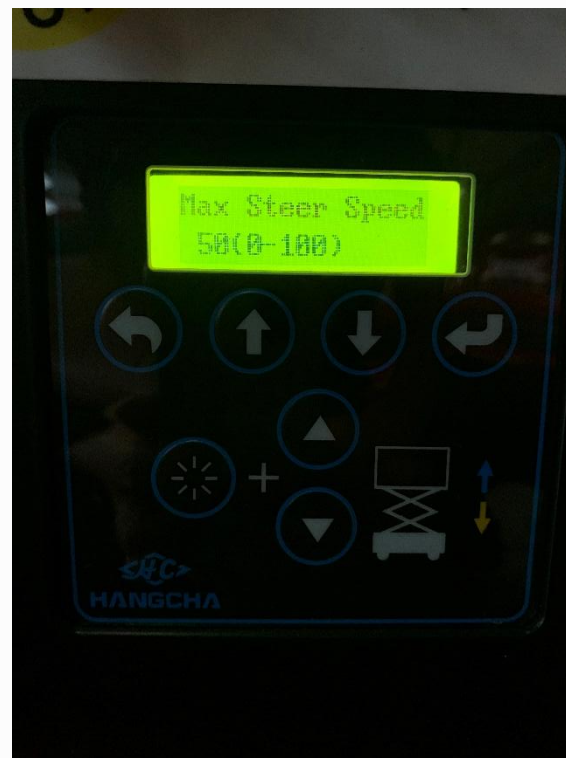

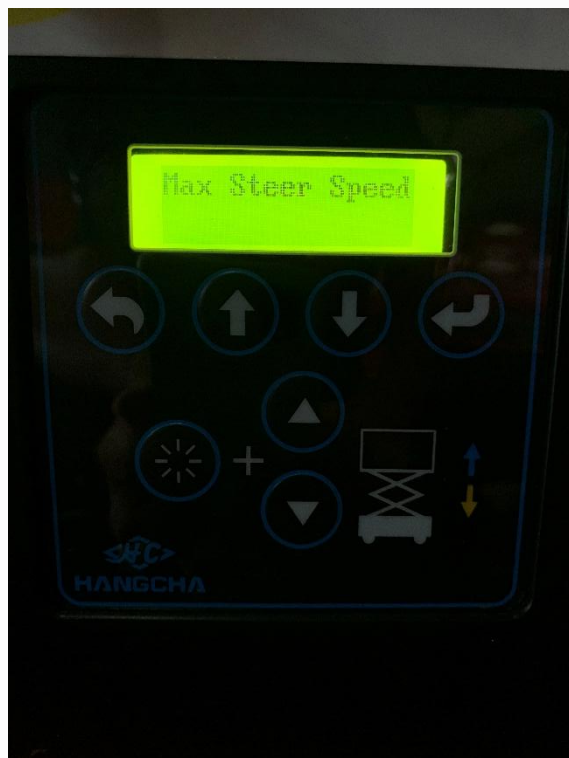

Max Climb Speed / 爬坡速度

Service is our business!

3. Parameter setting / 参数设置

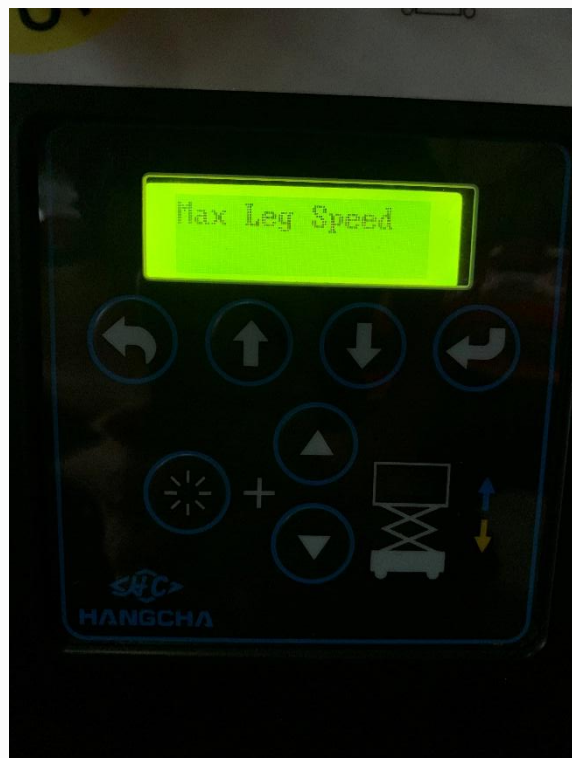

Max Steer Speed / 转向速度

Service is our business!

3. Parameter setting / 参数设置

Max Leg Speed / 支腿速度

Service is our business!

3. Parameter setting / 参数设置

Manual Lift Speed / 手动上升速度

Service is our business!

3. Parameter setting / 参数设置

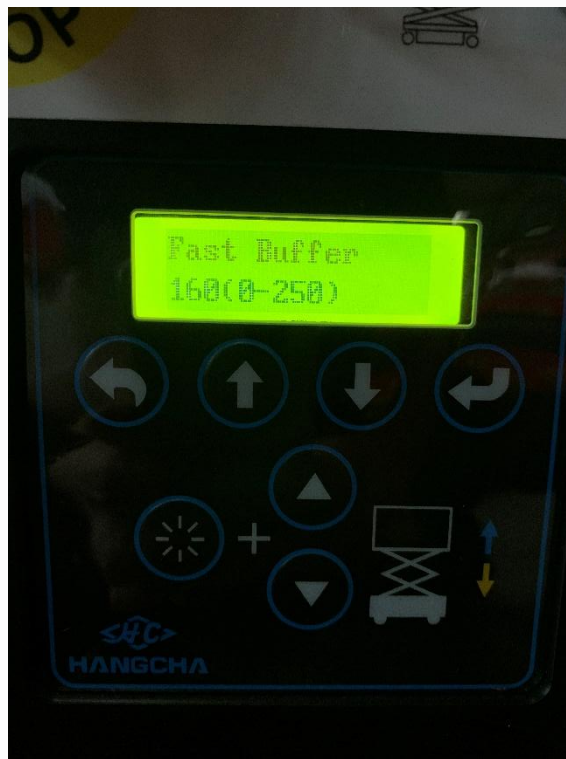

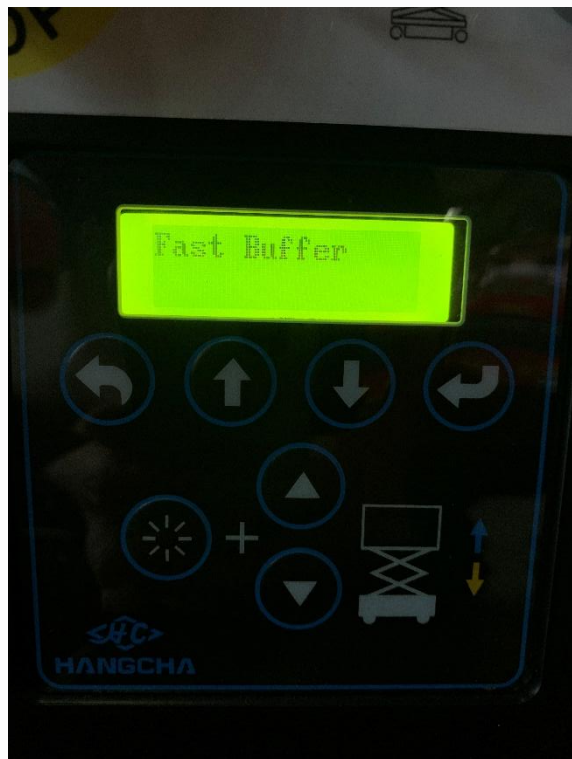

Max Descend Speed / 比例下降速度

Service is our business!

3. Parameter setting / 参数设置

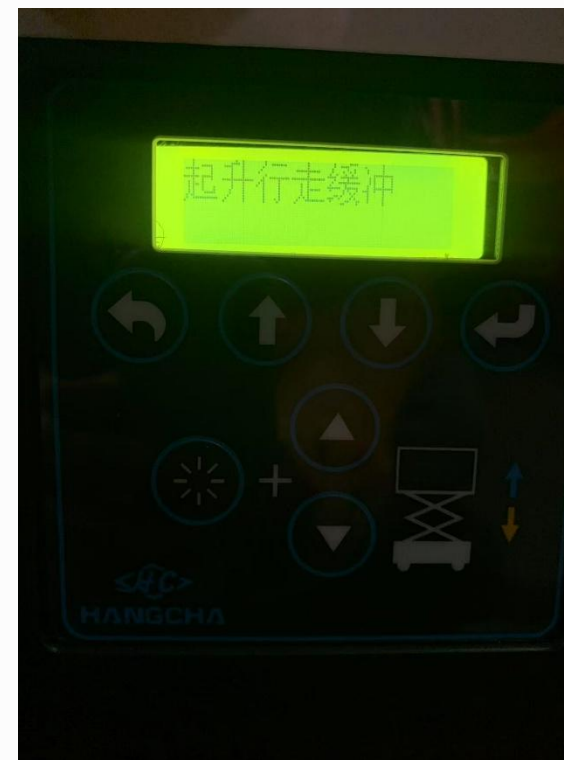

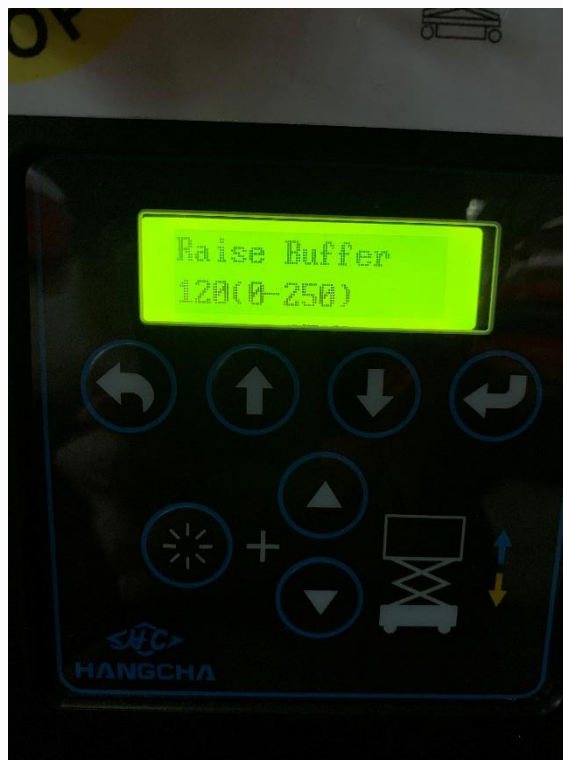

Fast Buffer / 快速行走缓冲

Service is our business!

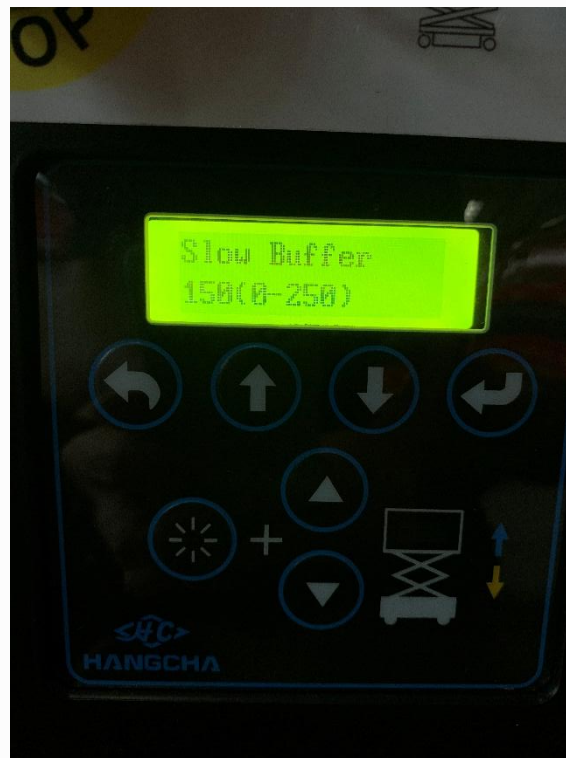

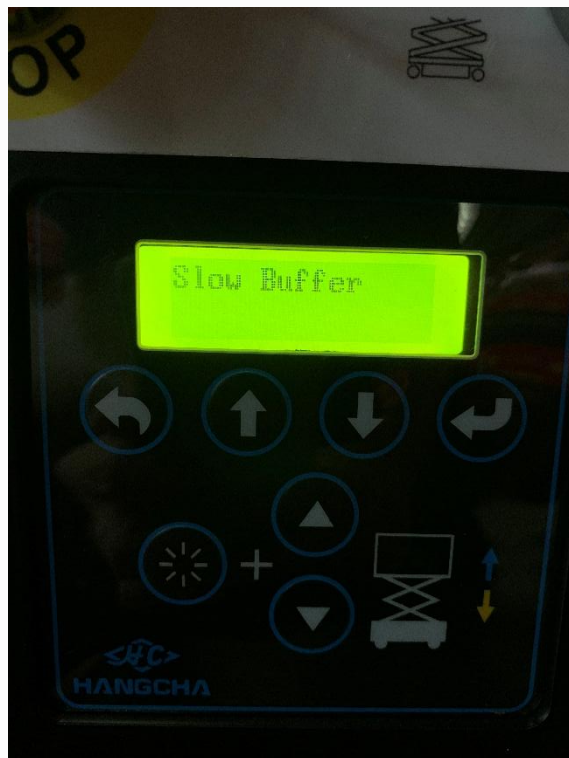

3. Parameter setting / 参数设置

Raise Buffer / 起升行走缓冲

3. Parameter setting / 参数设置

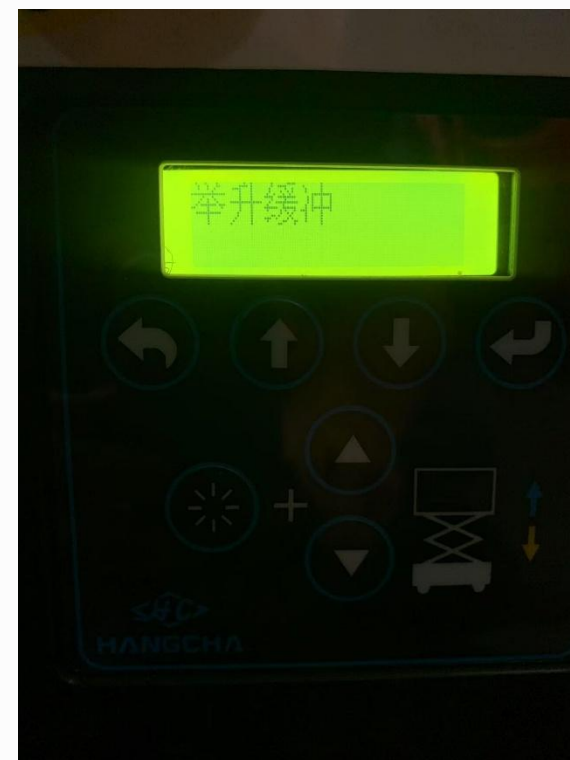

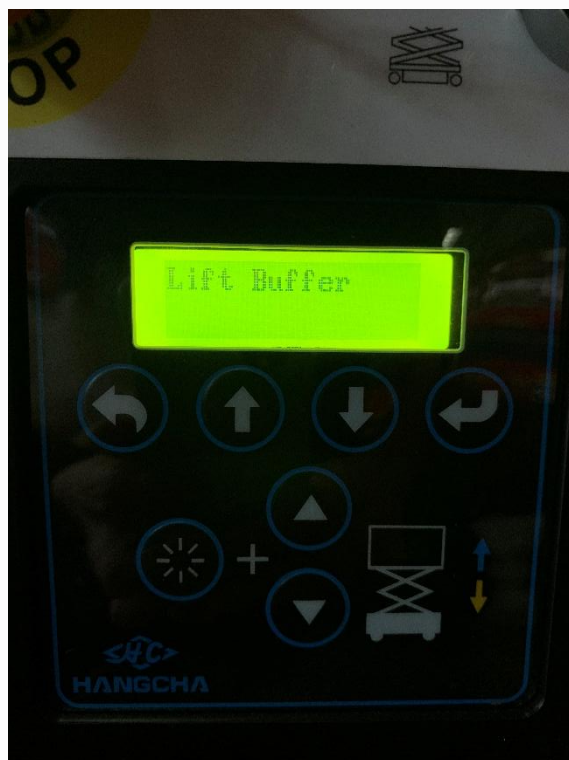

Slow Buffer / 慢速行走缓冲

Service is our business!

3. Parameter setting / 参数设置

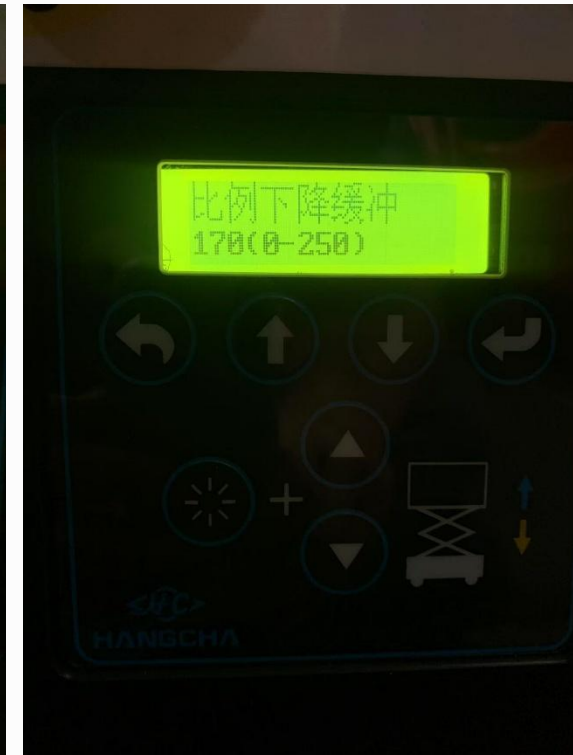

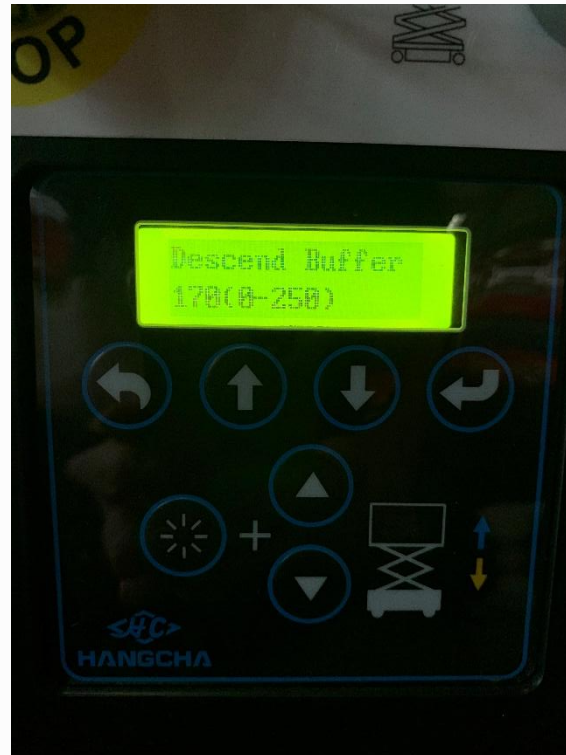

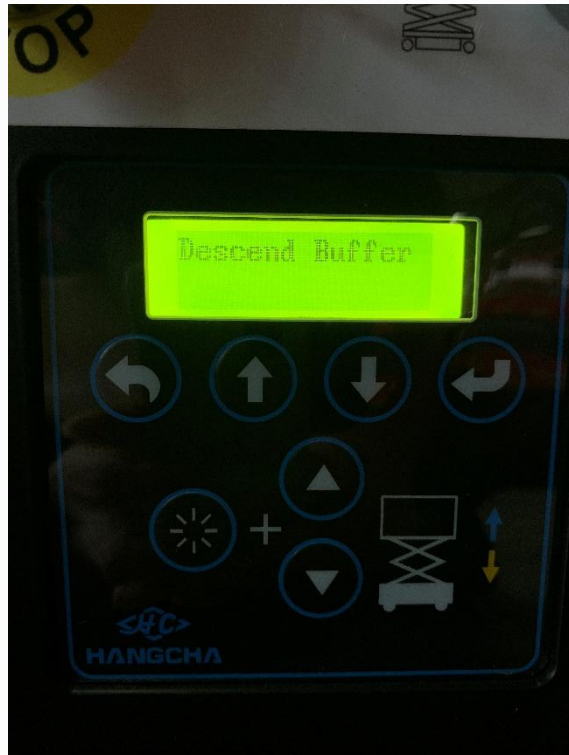

Lift Buffer / 举升缓冲

Service is our business!

3. Parameter setting / 参数设置

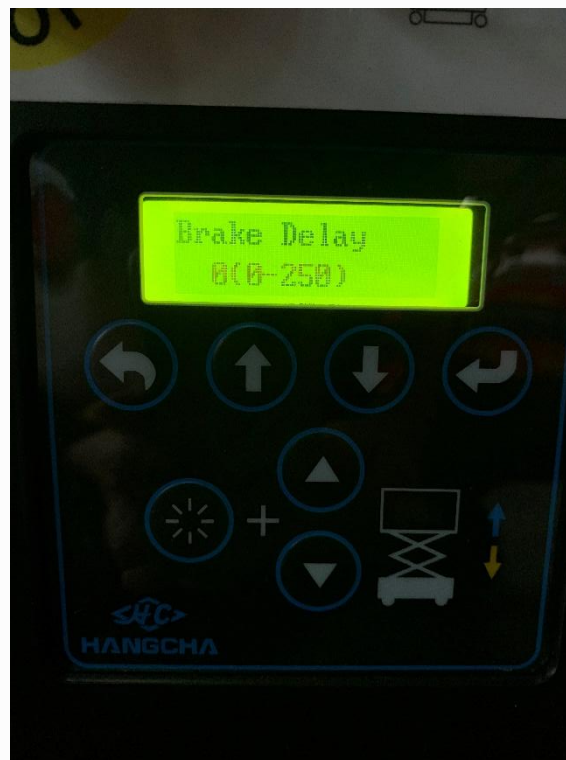

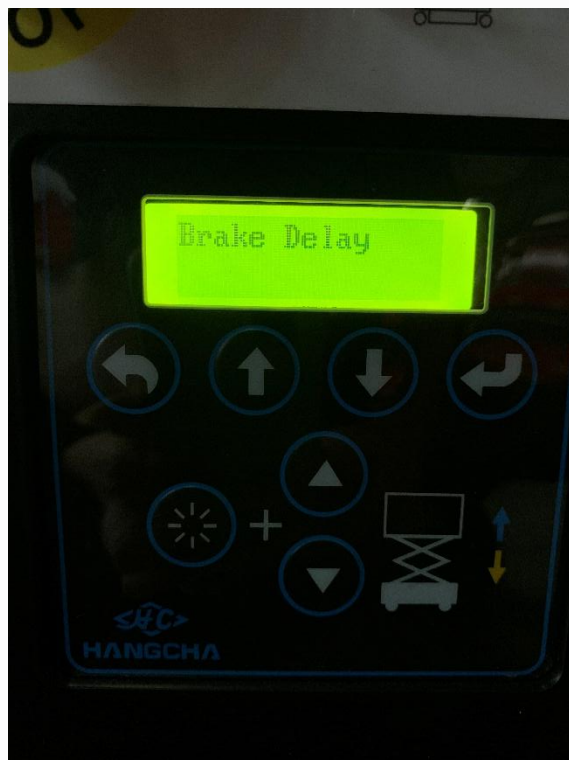

Lift Buffer / 举升缓冲

Service is our business!

3. Parameter setting / 参数设置

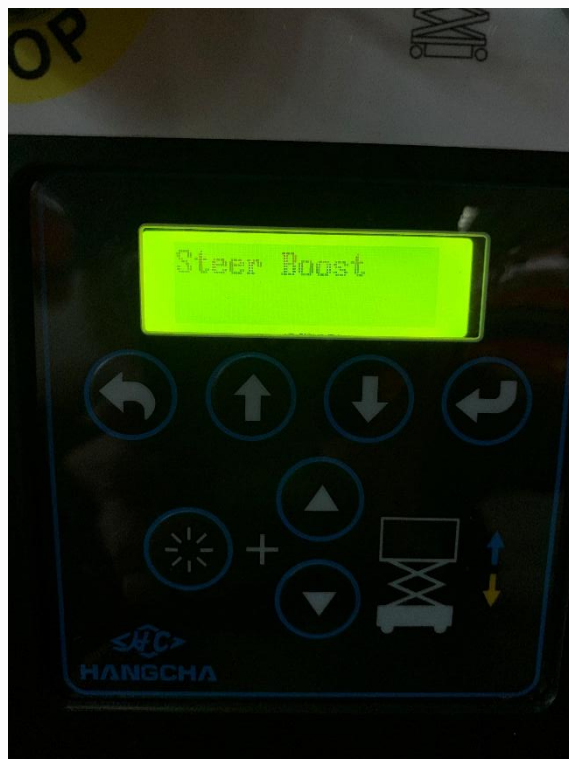

Brake Delay / 行走刹车延时

Service is our business!

3. Parameter setting / 参数设置

Steer Boost / 行走转向速度

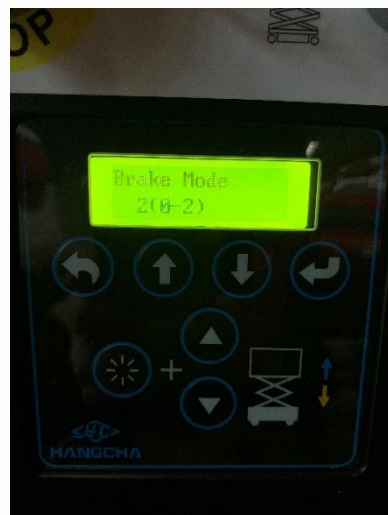

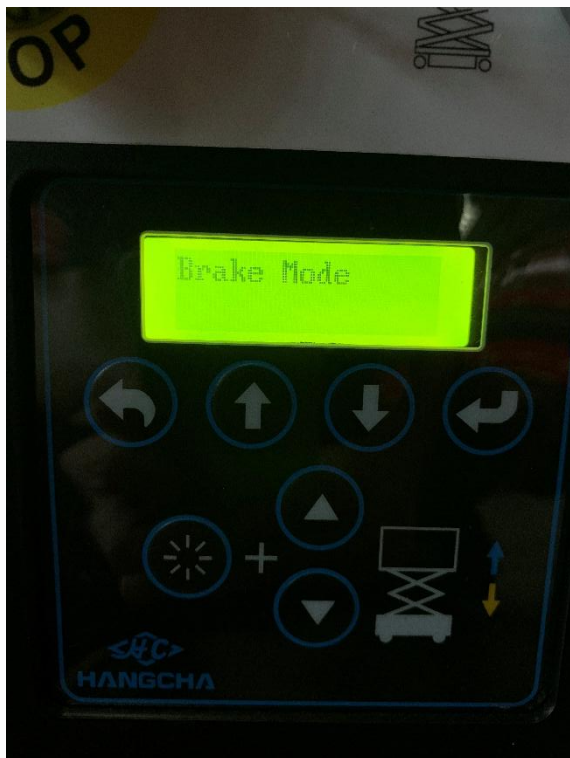

Service is our business!

3. Parameter setting / 参数设置

HANGCHA

Brake Mode / 刹车模式

0: Normal brake mode / 单段刹车模式

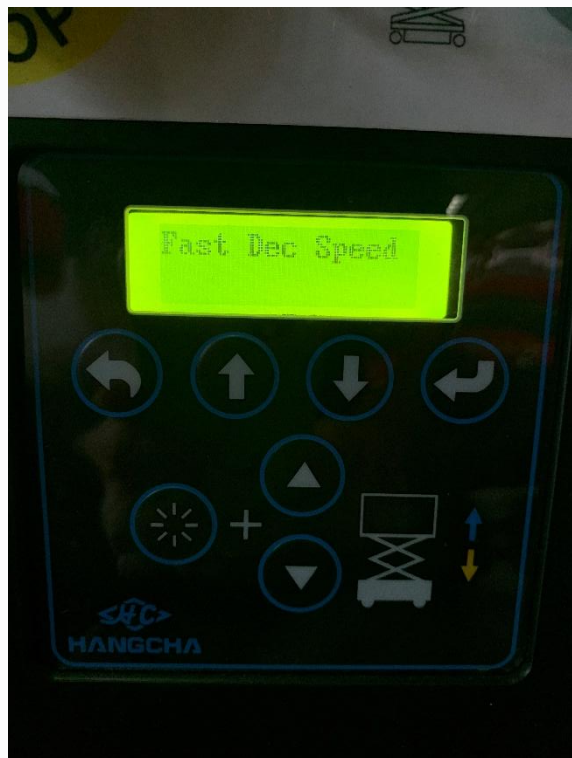

2: Flexible brake mode / 双段刹车模式

Service is our business!

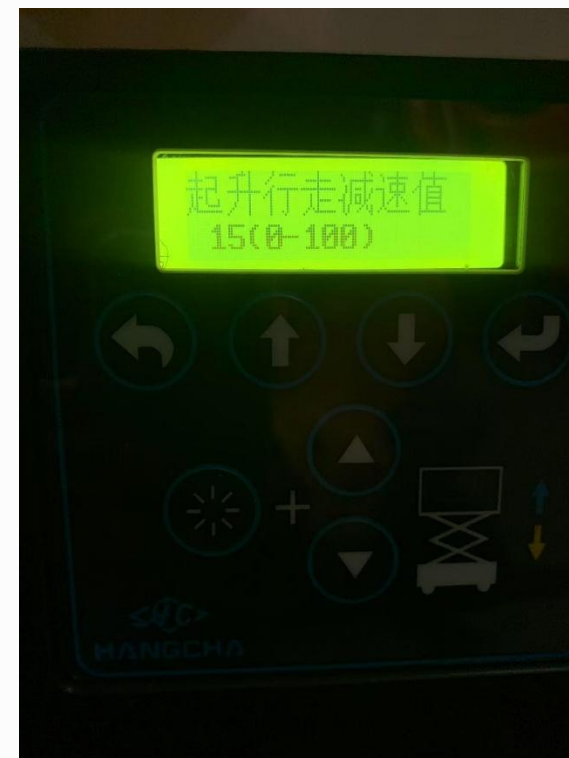

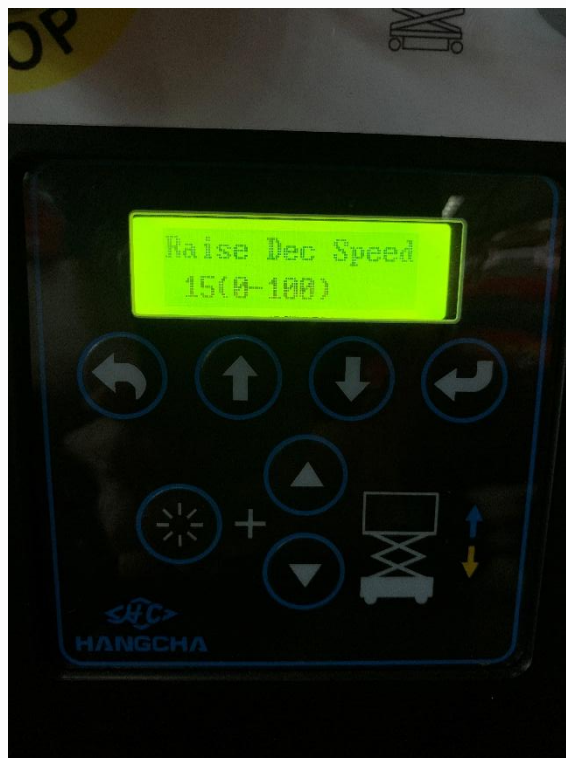

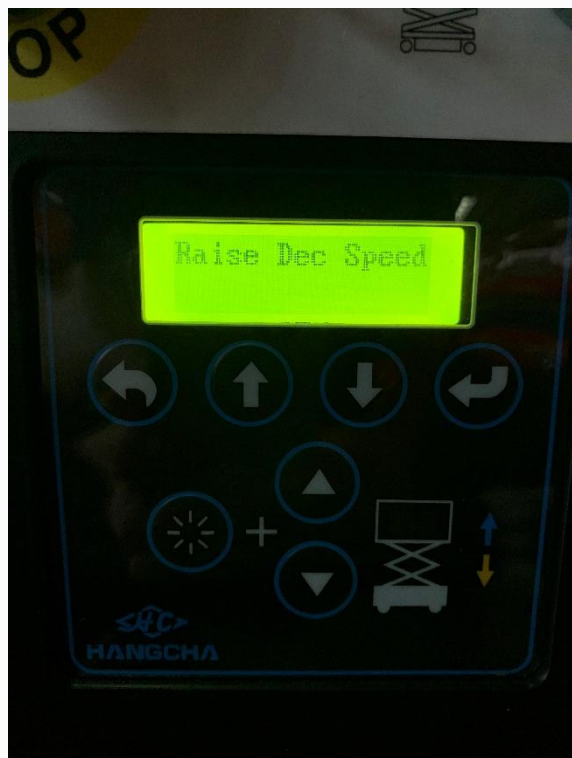

3. Parameter setting / 参数设置

Fast Decelerate Speed / 快速行走减速值

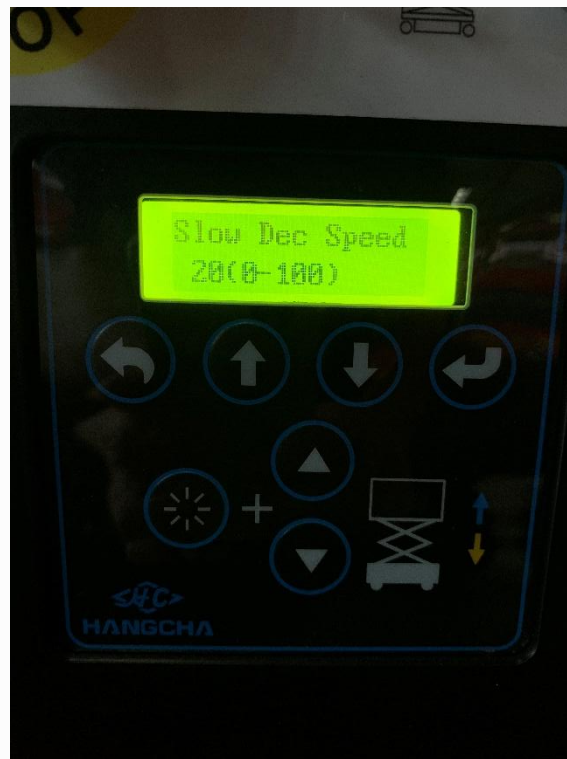

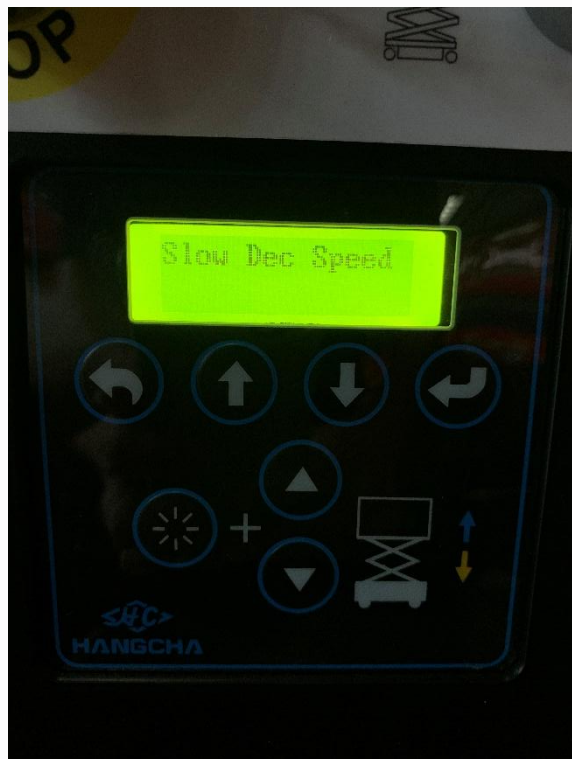

3. Parameter setting / 参数设置

Raise Decelerate Speed / 起升行走减速值

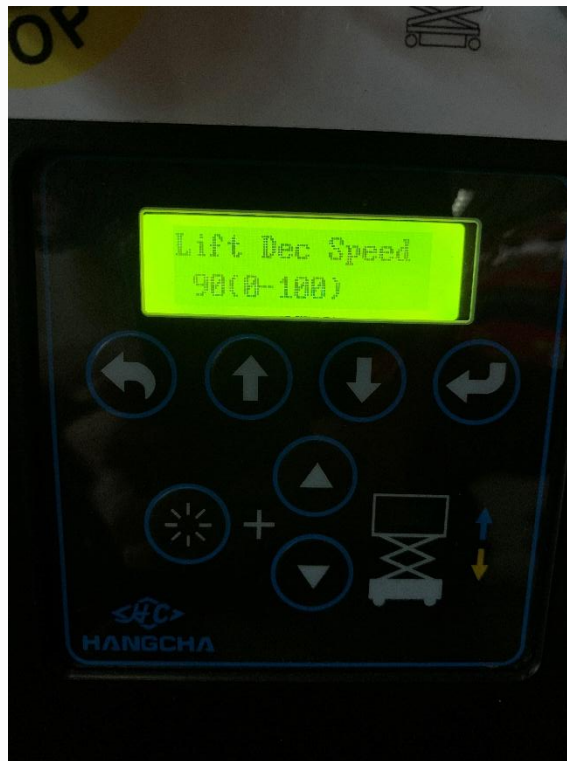

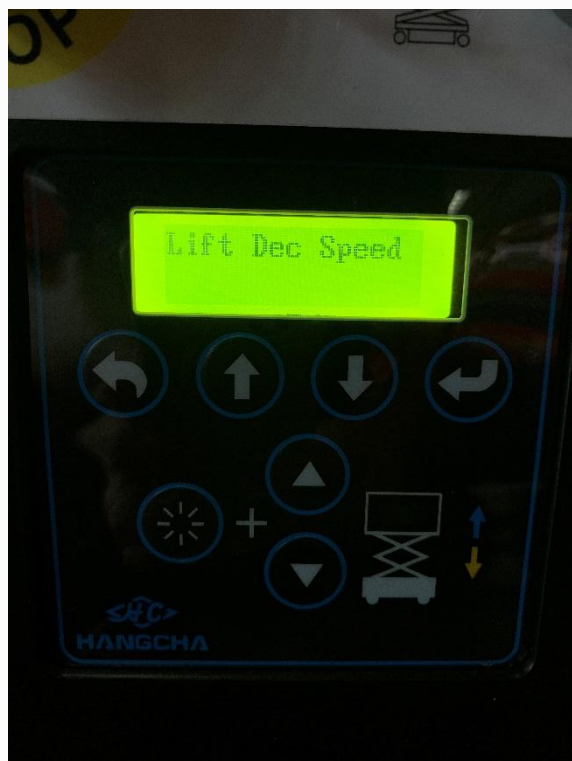

3. Parameter setting / 参数设置

Slow Decelerate Speed / 慢速行走减速值

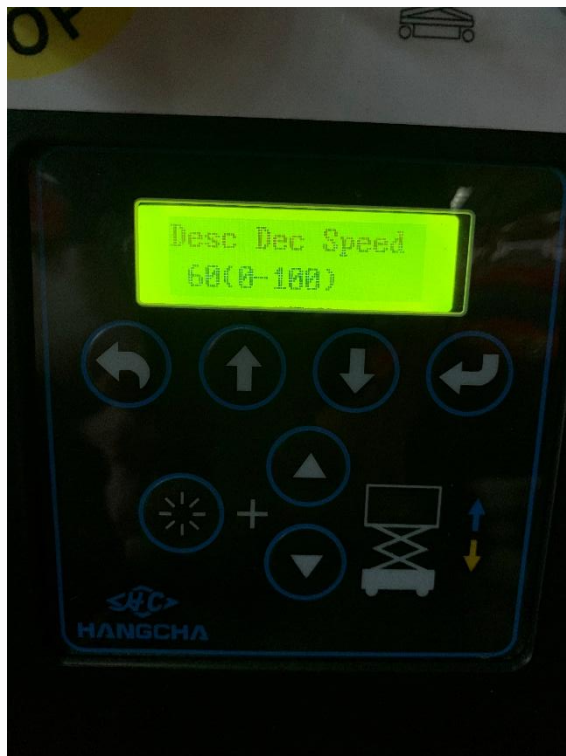

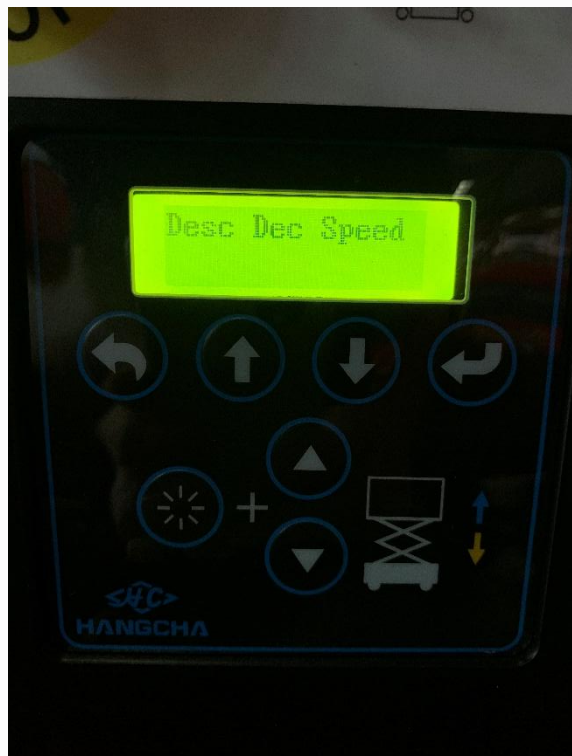

3. Parameter setting / 参数设置

Lift Decelerate Speed / 举升减速值

3. Parameter setting / 参数设置

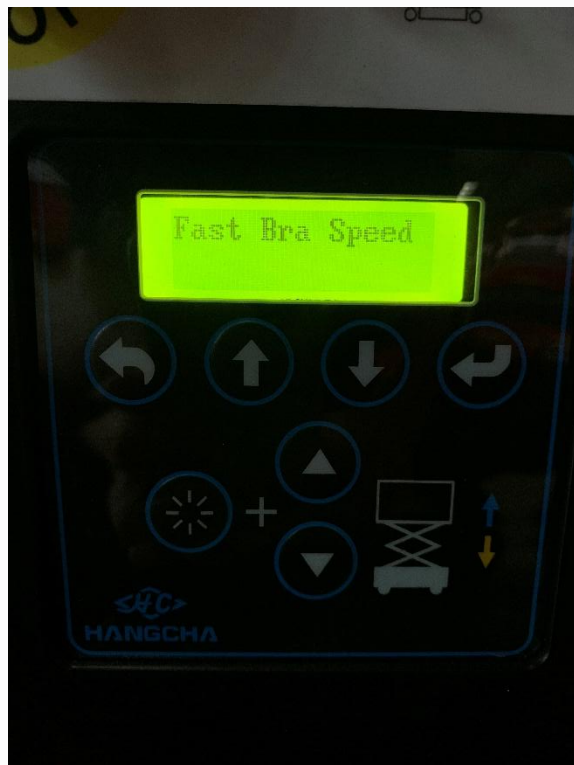

Descend Decelerate Speed / 下降减速值

Service is our business!

3. Parameter setting / 参数设置

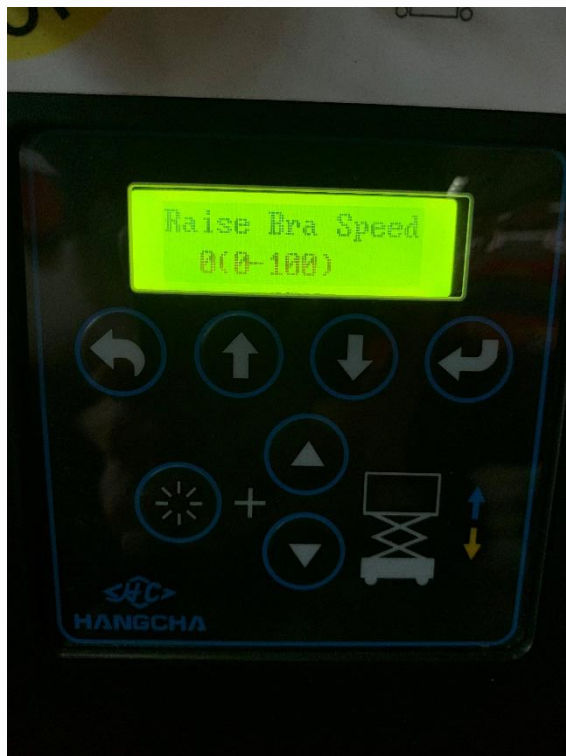

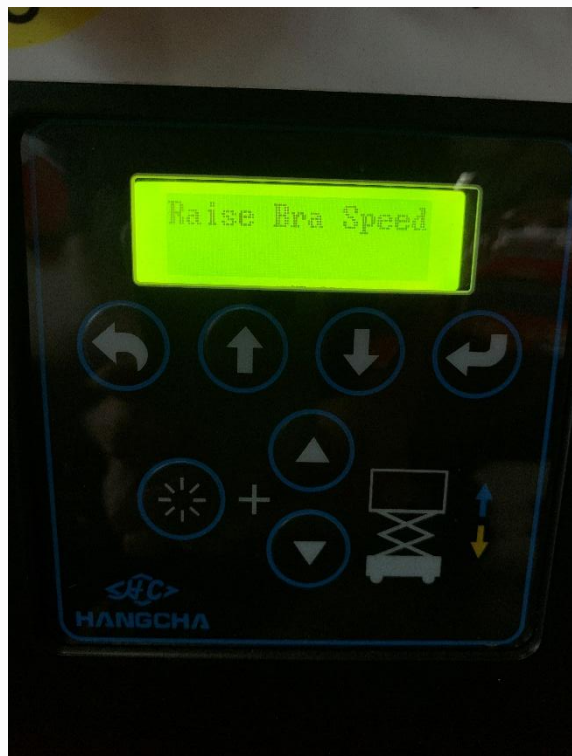

Fast Brake Speed / 快速刹车速度

Service is our business!

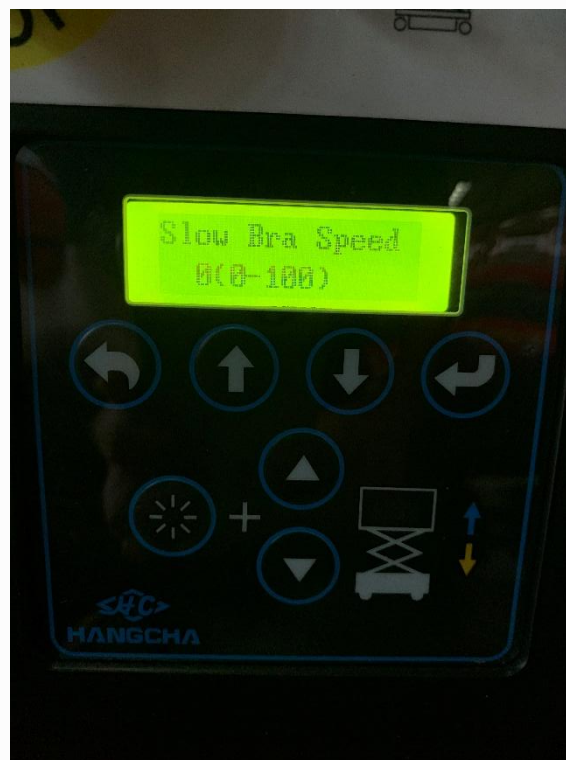

3. Parameter setting / 参数设置

Raise Brake Speed / 起升刹车速度

3. Parameter setting / 参数设置

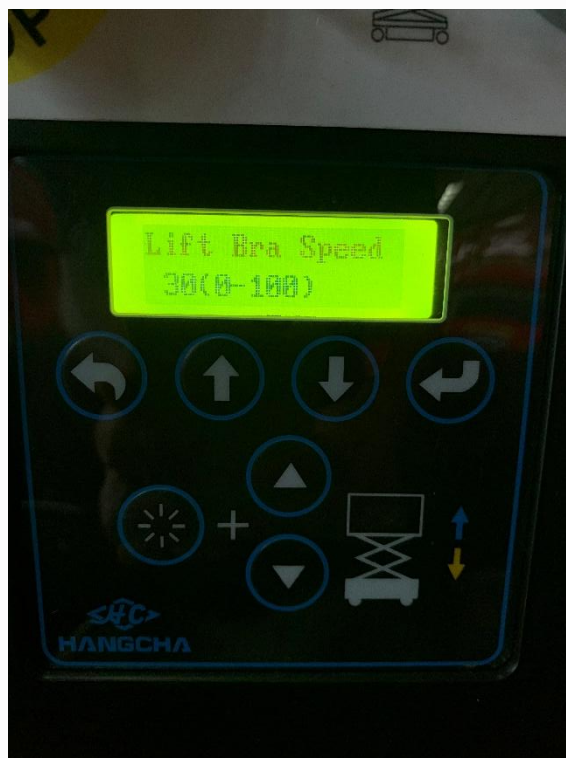

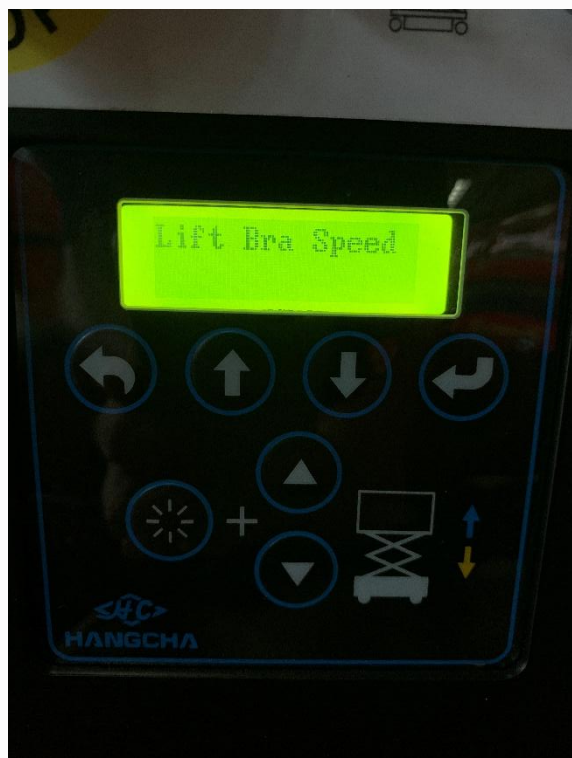

Raise Brake Speed / 起升刹车速度

Service is our business!

3. Parameter setting / 参数设置

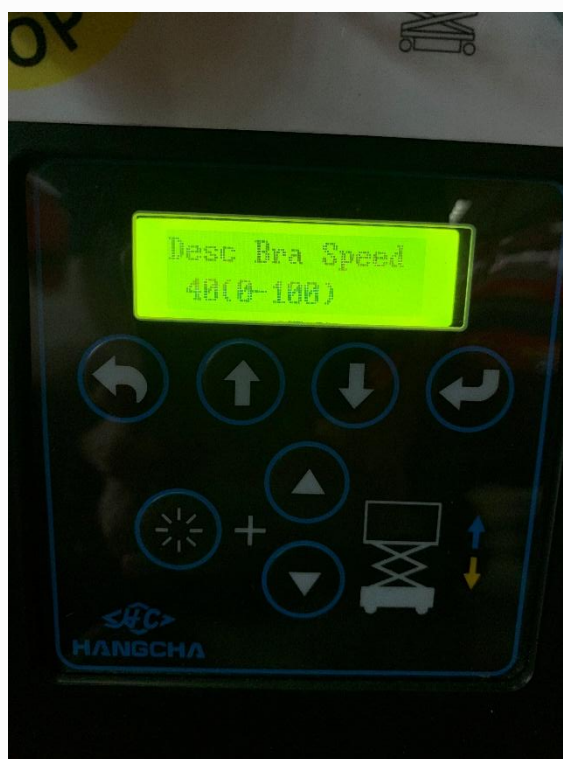

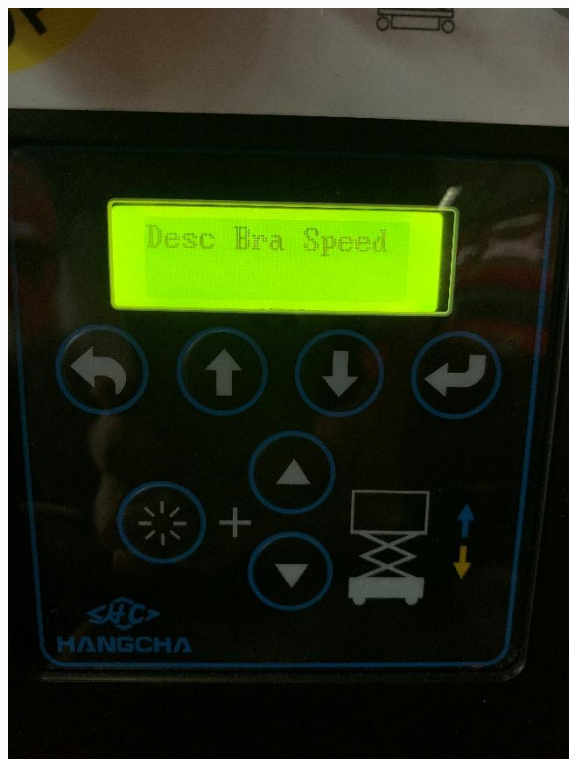

Lift Brake Speed / 举升停止速度

Service is our business!

3. Parameter setting / 参数设置

Descend Brake Speed / 下降停止速度

Service is our business!

3. Parameter setting / 参数设置

2). Set Option / 参数选项

Service is our business!

3. Parameter setting / 参数设置

HANGCHA

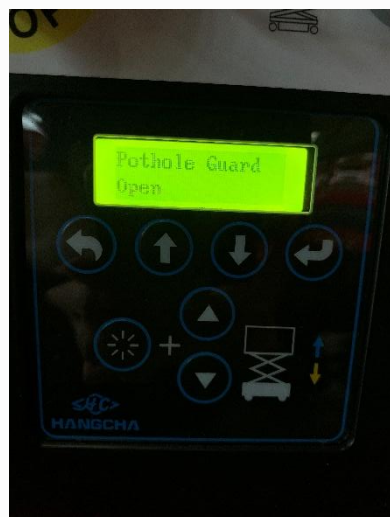

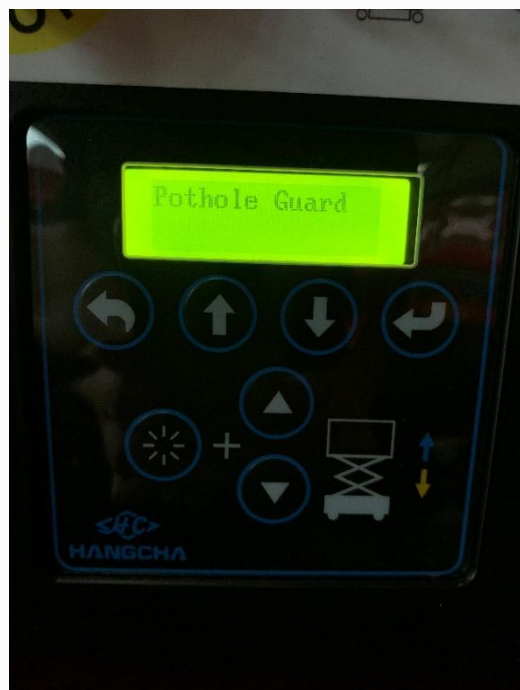

Caution Pinch / 防夹手

Service is our business!

3. Parameter setting / 参数设置

Pothole Guard / 坑洞保护

Anti-overturning system, When the machine raises to more than 2m, this system will work automatically, to protect the machine from overturning while walking at un-leveling ground

防倾翻系统平台起升后，防倾翻系统自动打开，防止平台通过坑洼路面时，因轮胎进入坑洞而倾侧。

3. Parameter setting / 参数设置

HANGCHA

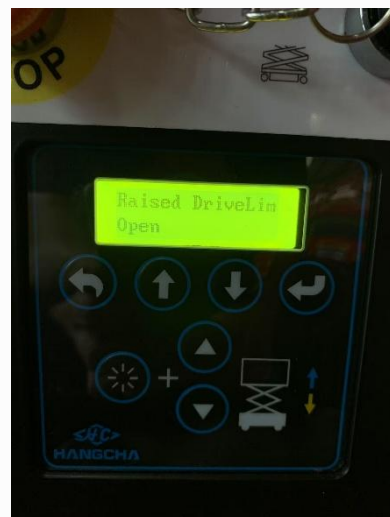

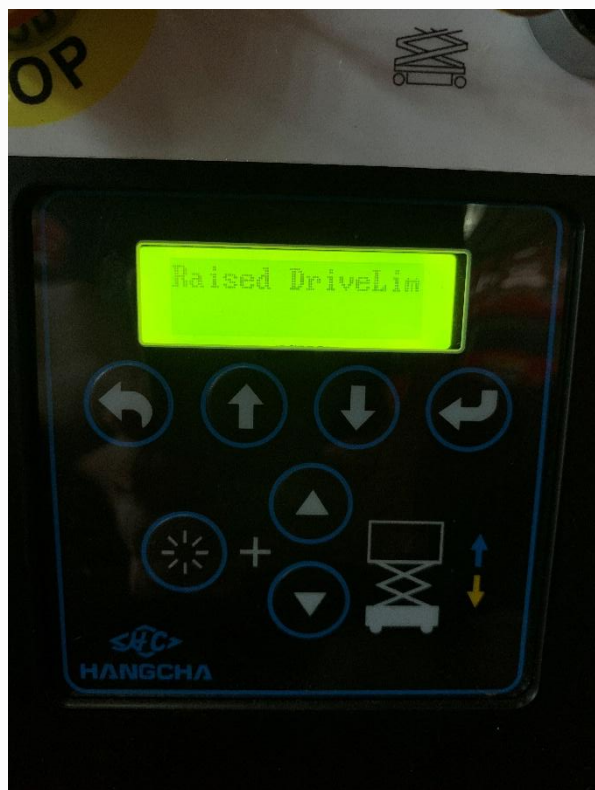

Motion Alarm / 动作报警

Service is our business!

3. Parameter setting / 参数设置

Raised drive limit / 起升限制行走

Service is our business!

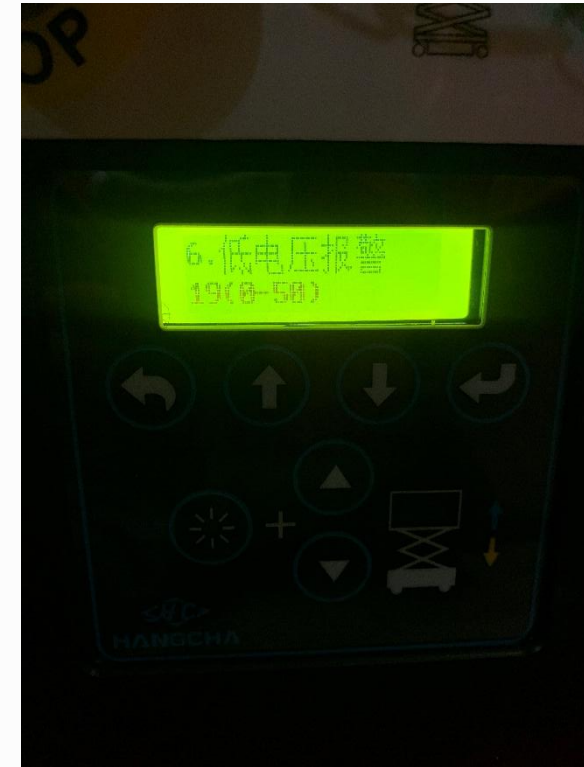

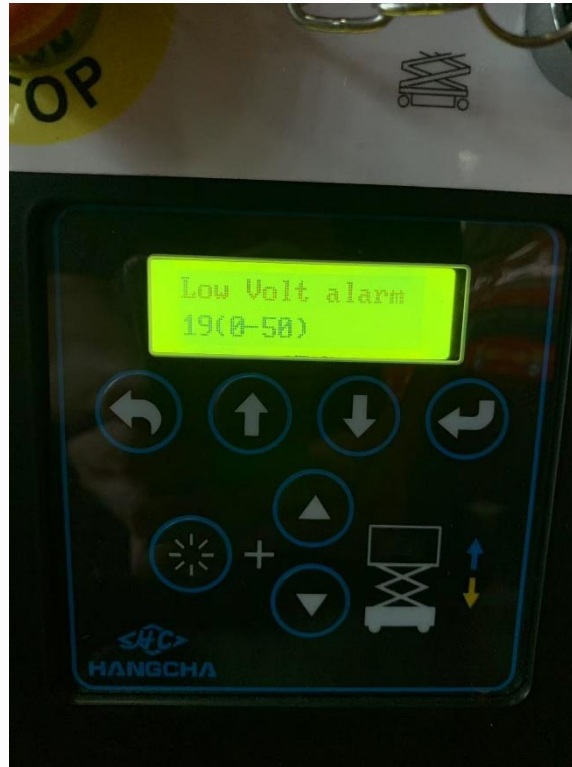

3. Parameter setting / 参数设置

Tilt Sensor / 内置水平倾角

3. Parameter setting / 参数设置

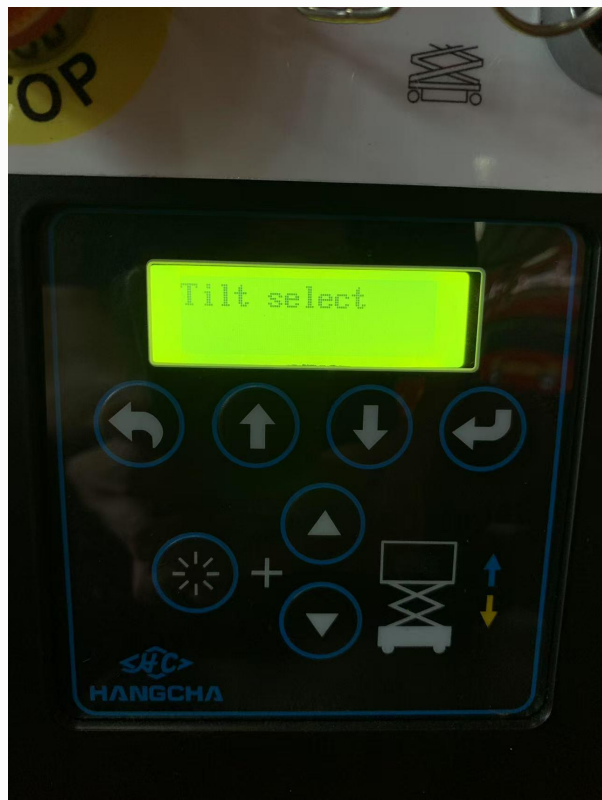

Low Voltage Alarm / 低电压报警

Service is our business!

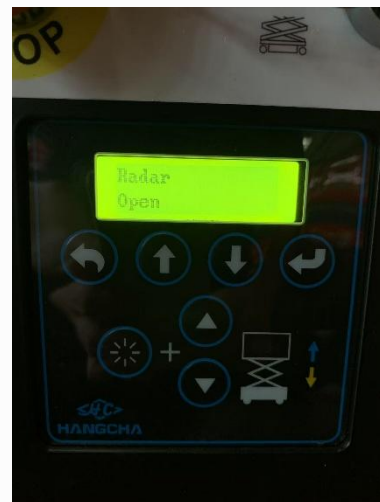

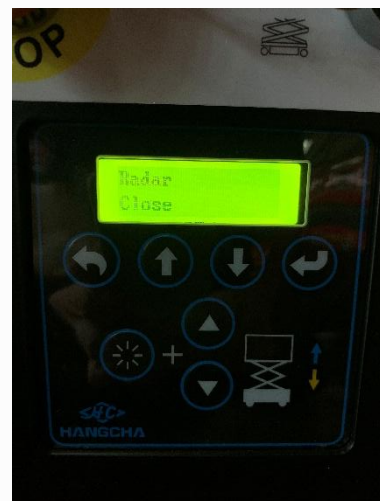

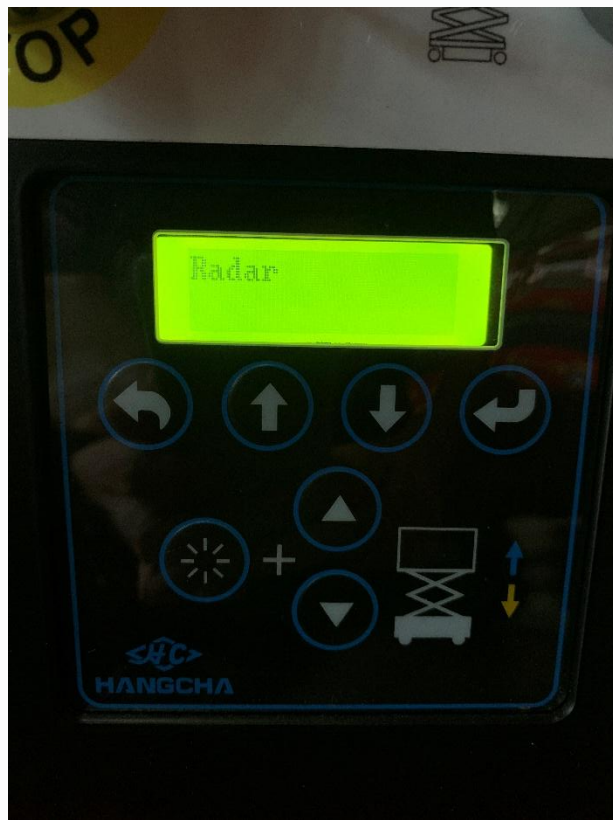

3. Parameter setting / 参数设置

Tilt select / 水平倾角选择

3. Parameter setting / 参数设置

Radar / 前后雷达

Optional function , if equipped , select open
选配功能, 如安装, 选择打开

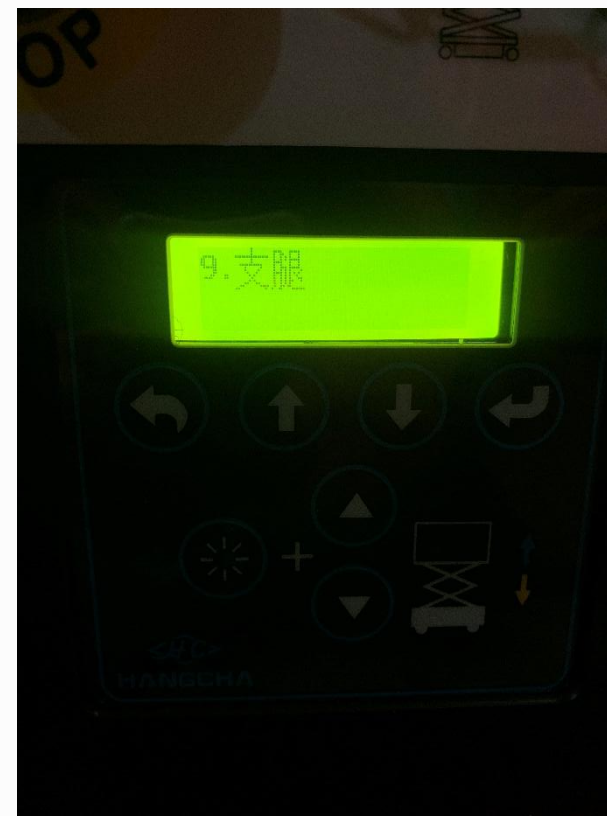

3. Parameter setting / 参数设置

Leg Switch / 支腿

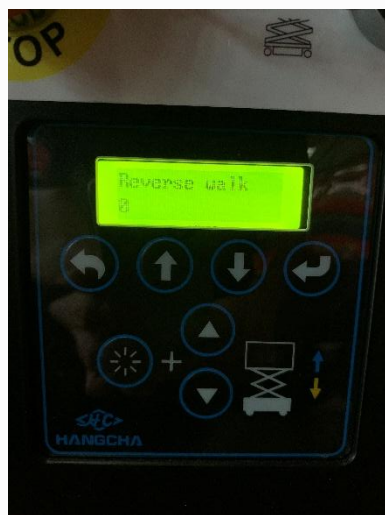

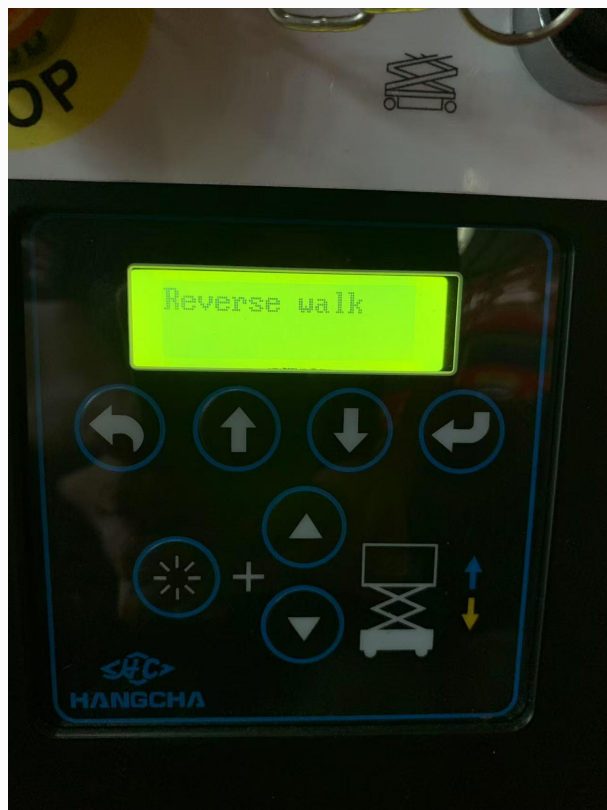

Not for Mini pallet scissor series
迷你剪叉无此项配置

3. Parameter setting / 参数设置

Reverse walk / 行走反向

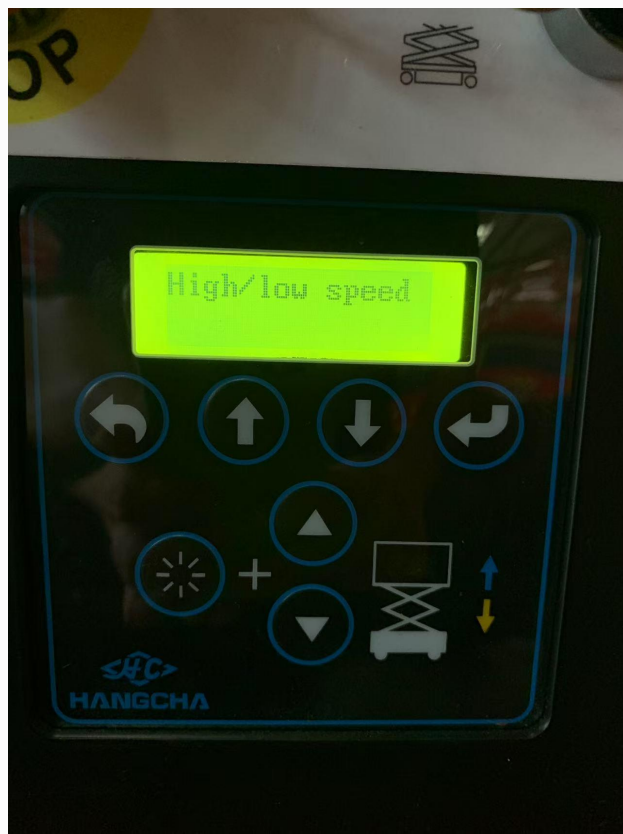

Service is our business!

3. Parameter setting / 参数设置

HANGCHA

High/Low speed / 高低速阀类型

Service is our business!

3. Parameter setting / 参数设置

HANGCHA

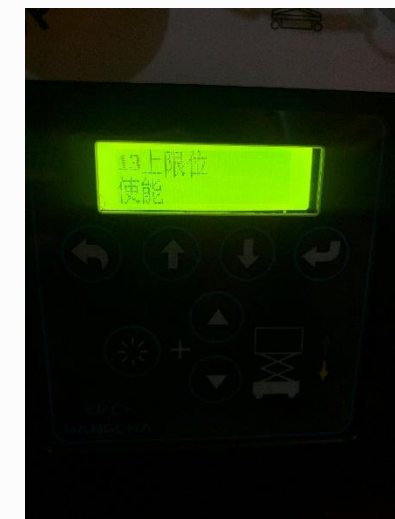

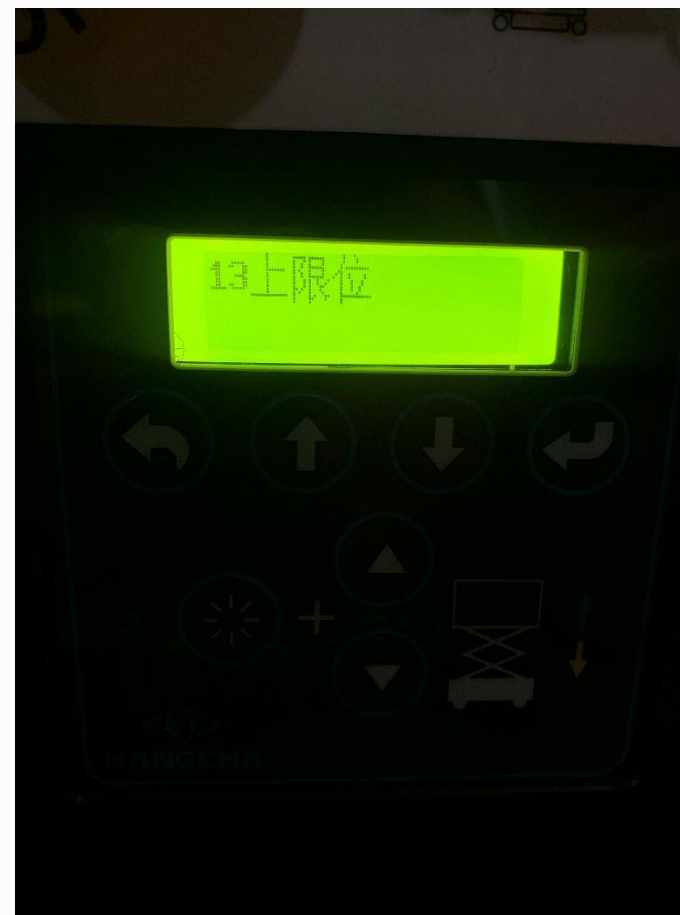

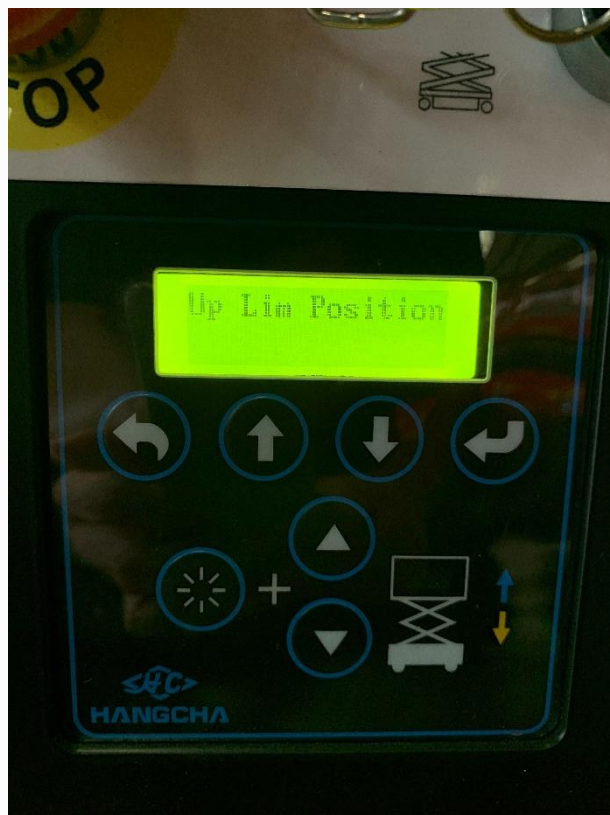

Battery Type / 电池类型

Service is our business!

3. Parameter setting / 参数设置

Up Limit Position / 上限位

3. Parameter setting / 参数设置

Lower Valve 1 / 下降阀1

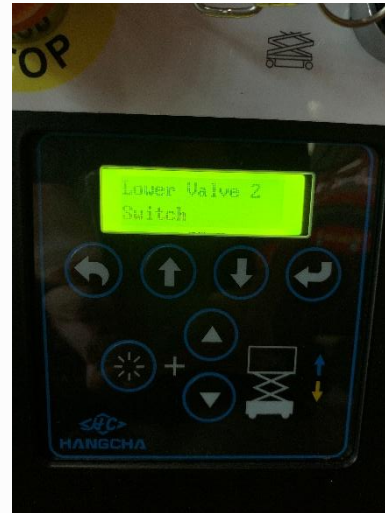

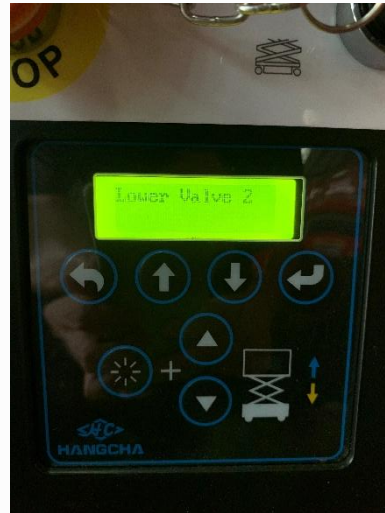

3. Parameter setting / 参数设置

HANGCHA

Lower Valve 2 / 下降阀2

Service is our business!

3. Parameter setting / 参数设置

Load Limit Switch / 称重功能

Service is our business!

3. Parameter setting / 参数设置

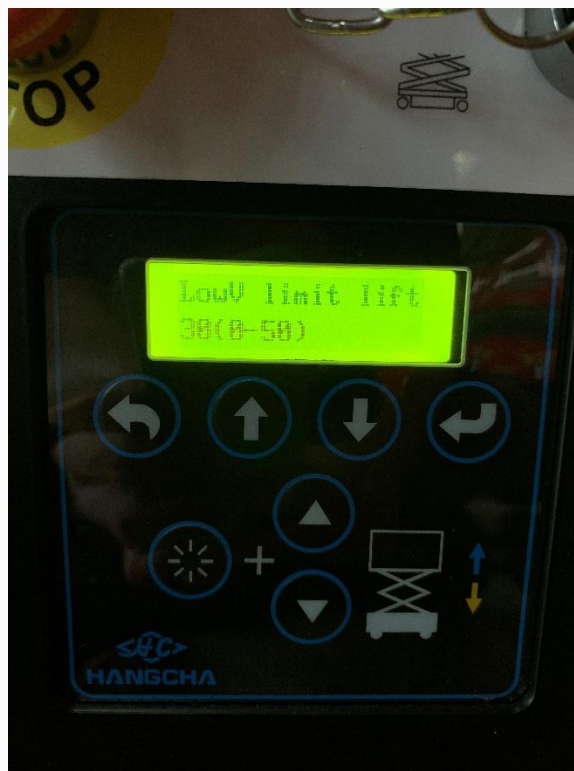

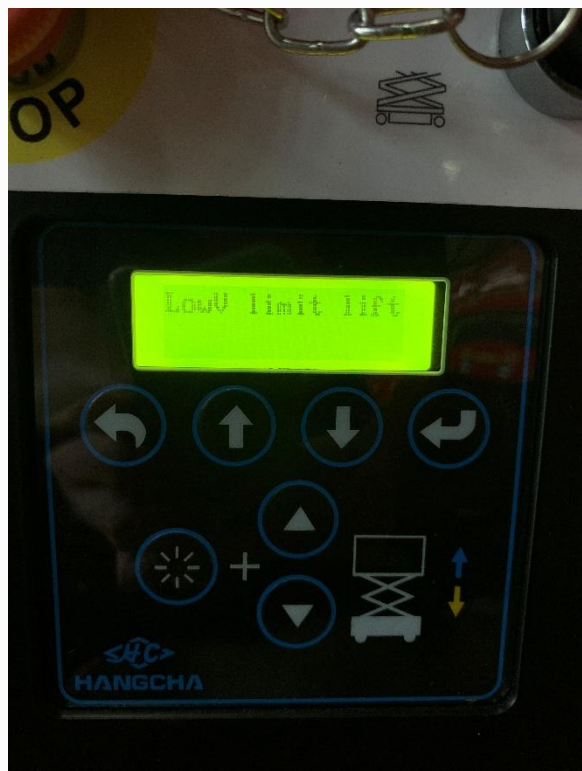

Load Sensing / 称重传感器

Service is our business!

3. Parameter setting / 参数设置

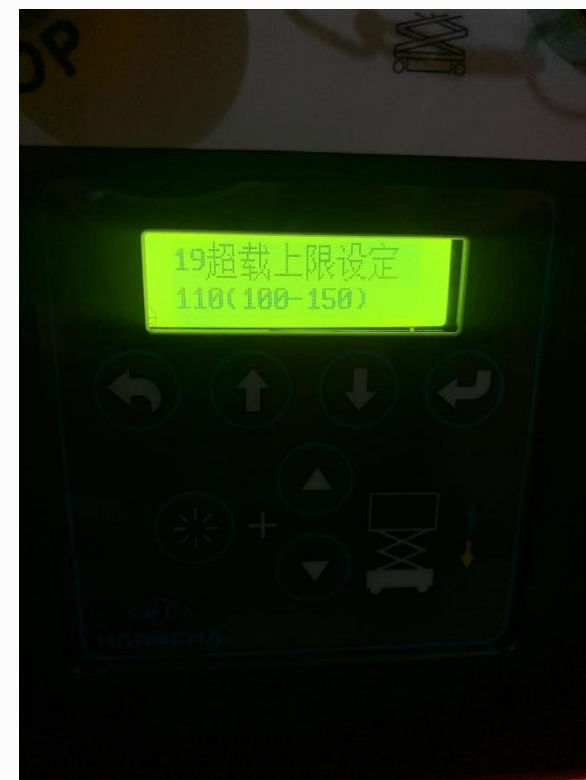

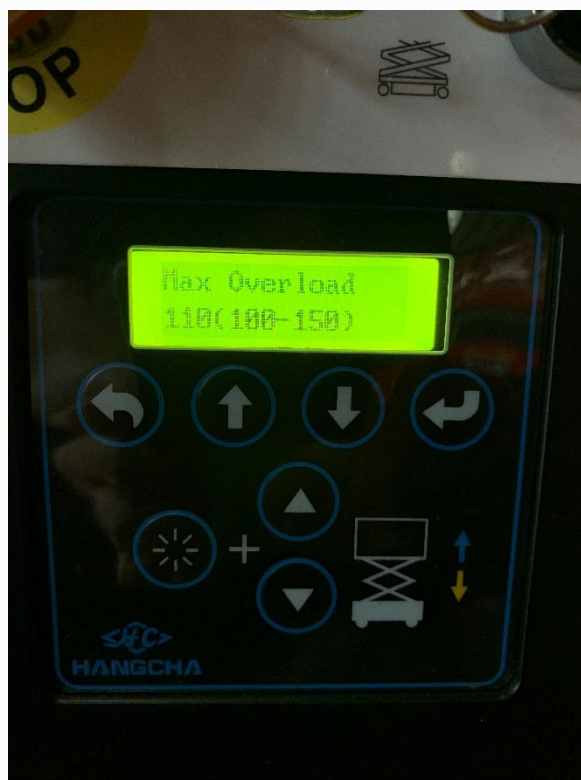

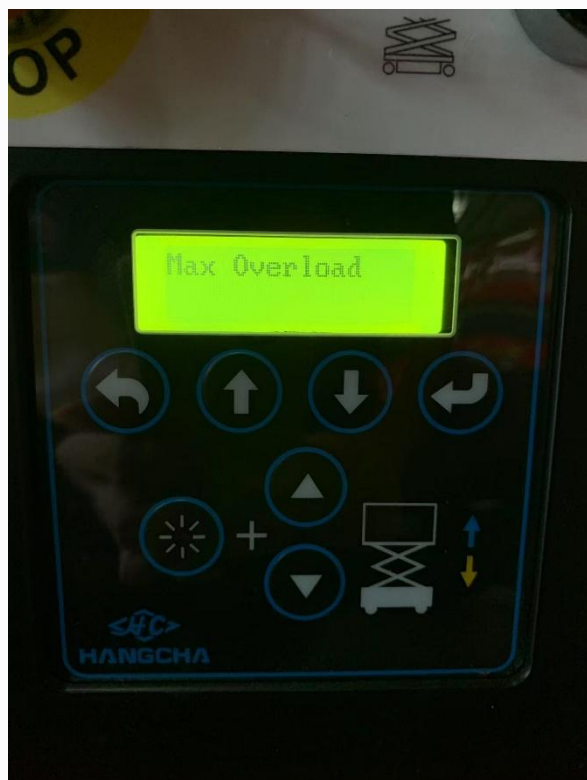

Low Voltage limit lift / 低电限制举升

Service is our business!

3. Parameter setting / 参数设置

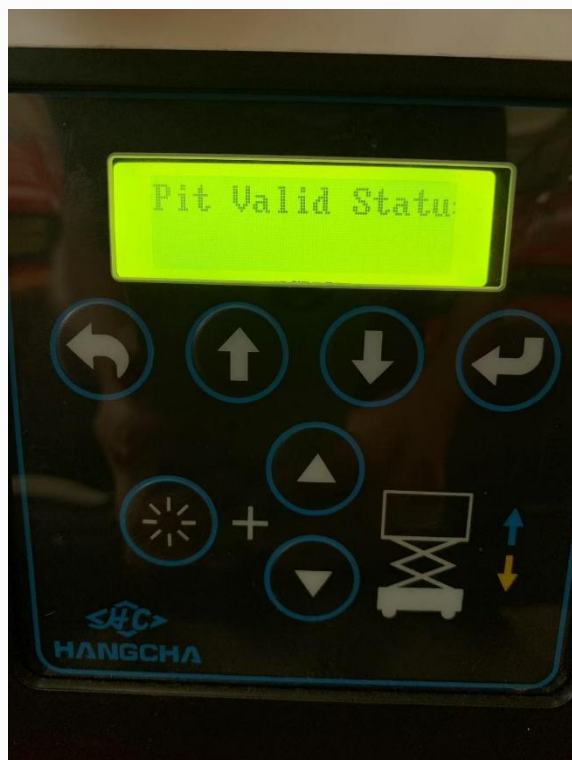

Max Overload / 超载上限设定

Service is our business!

3. Parameter setting / 参数设置

Pit Valid Status / 坑洞有效状态

3. Parameter setting / 参数设置

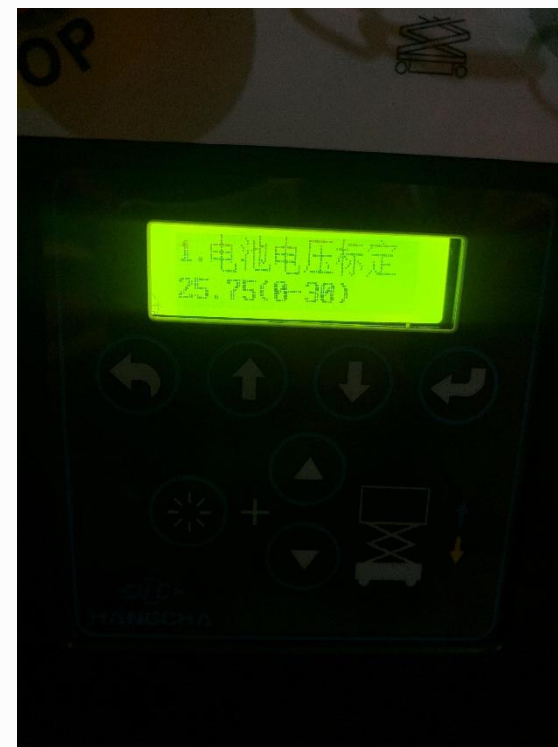

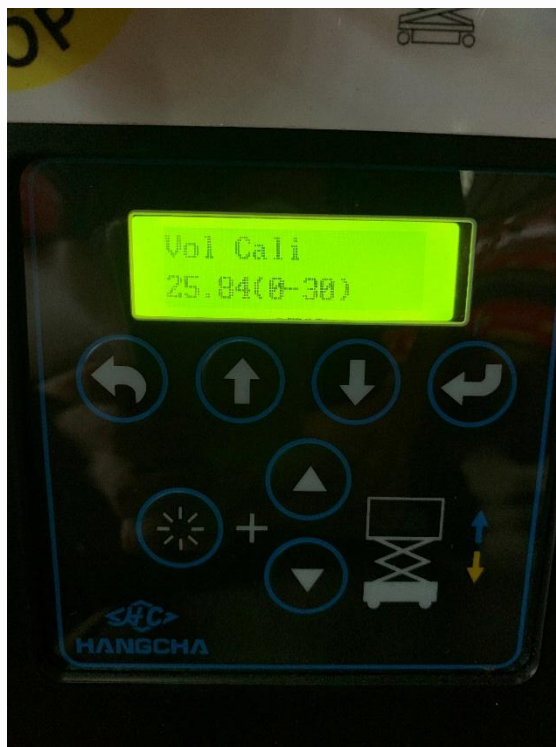

3). Calibration / 标定

Service is our business!

3. Parameter setting / 参数设置

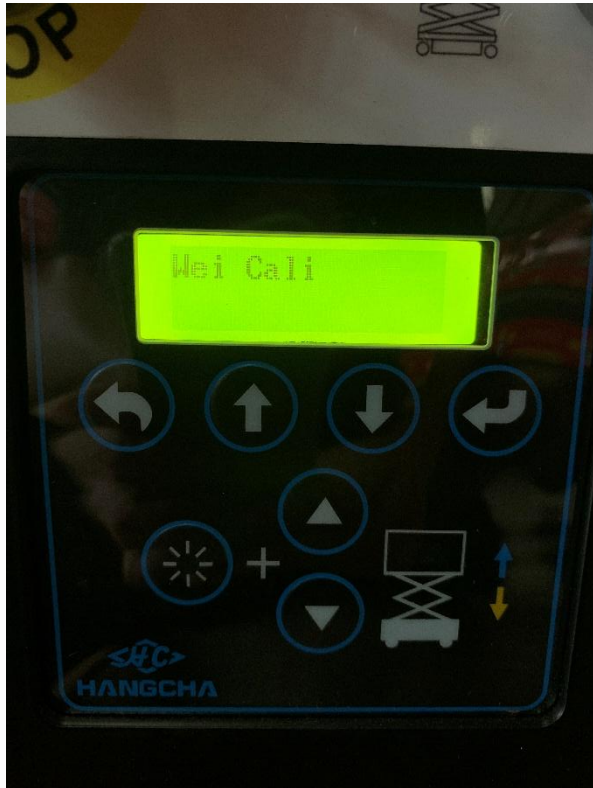

Voltage Calibration / 电池电压标定

Service is our business!

3. Parameter setting / 参数设置

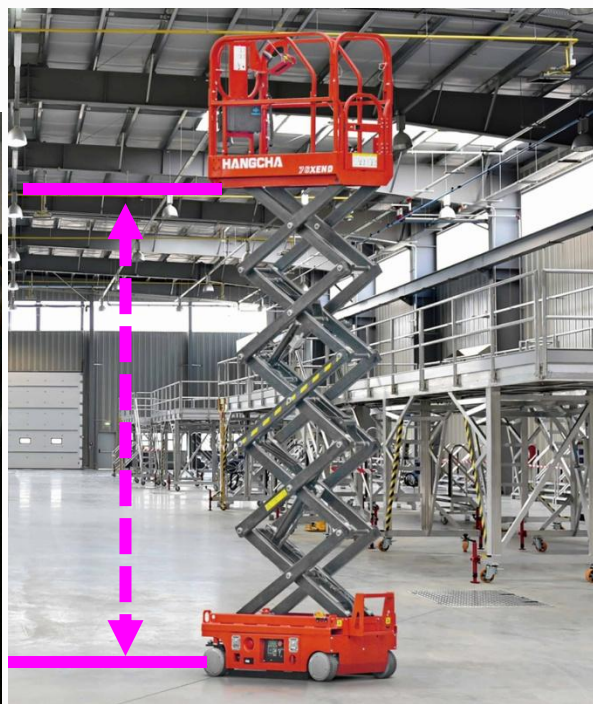

Weight Calibration / 称重标定

Service is our business!

3. Parameter setting / 参数设置

Up limit Calibration / 上限位标定

76XEND Platform max height:5.60m

C: Current / 当前值

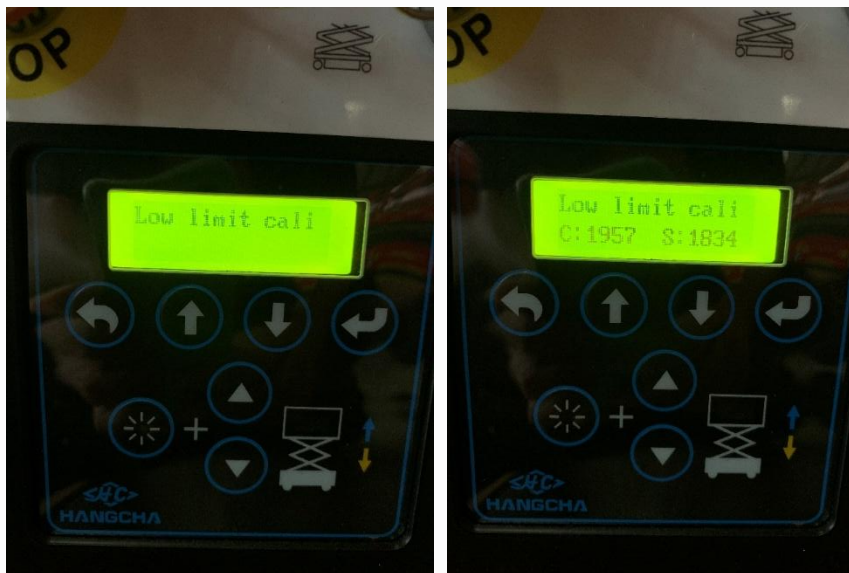

S: Setting / 设定值

Operate the machine to platform height is around 5.55m then press confirm
操作设备上升到离地高度约5.55米后按确认键标定

Service is our business!

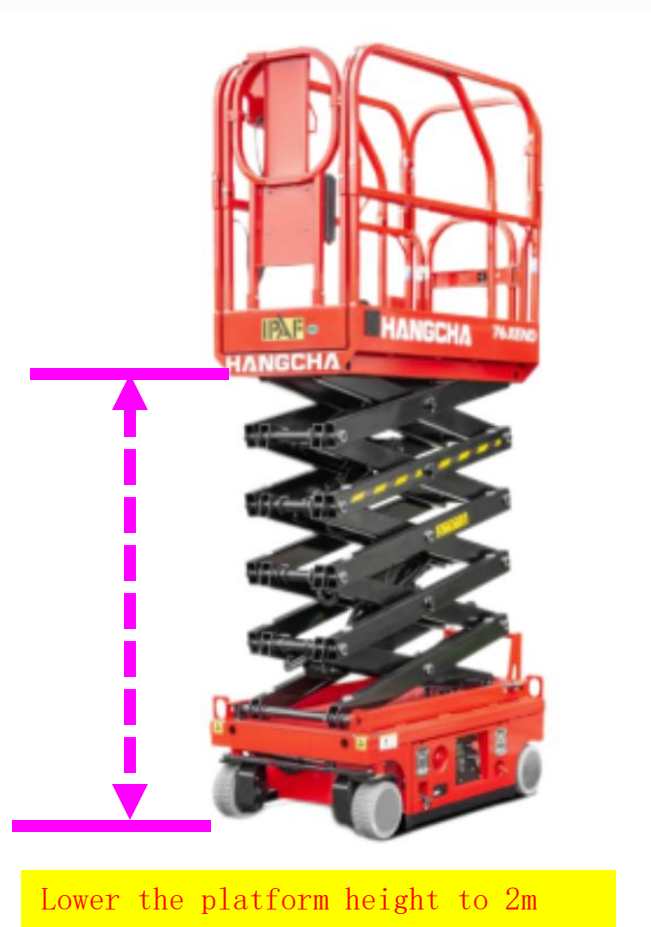

3. Parameter setting / 参数设置

Low limit Calibration / 下限位标定

C: Current / 当前值

S: Setting / 设定值

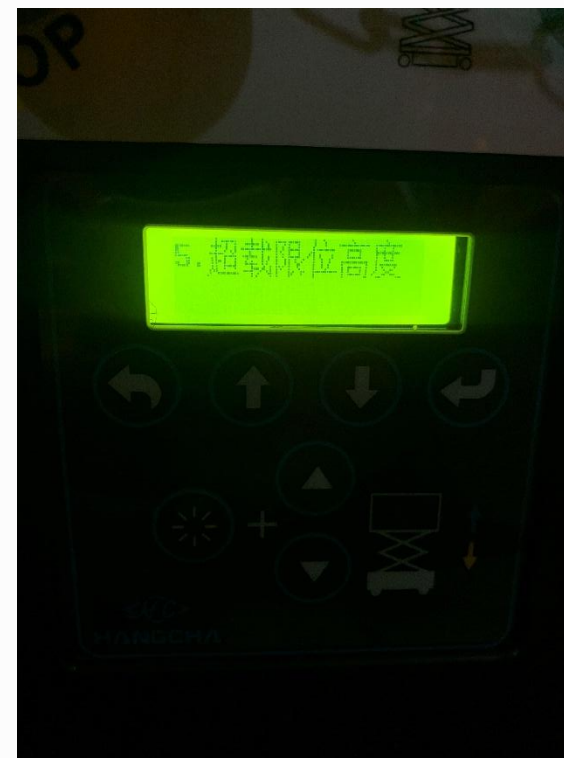

Operate the machine to platform height is around 2m then press confirm
操作设备上升到离地高度约2米后按确认键标定

Service is our business!

3. Parameter setting / 参数设置

Load limit height / 超载限位高度

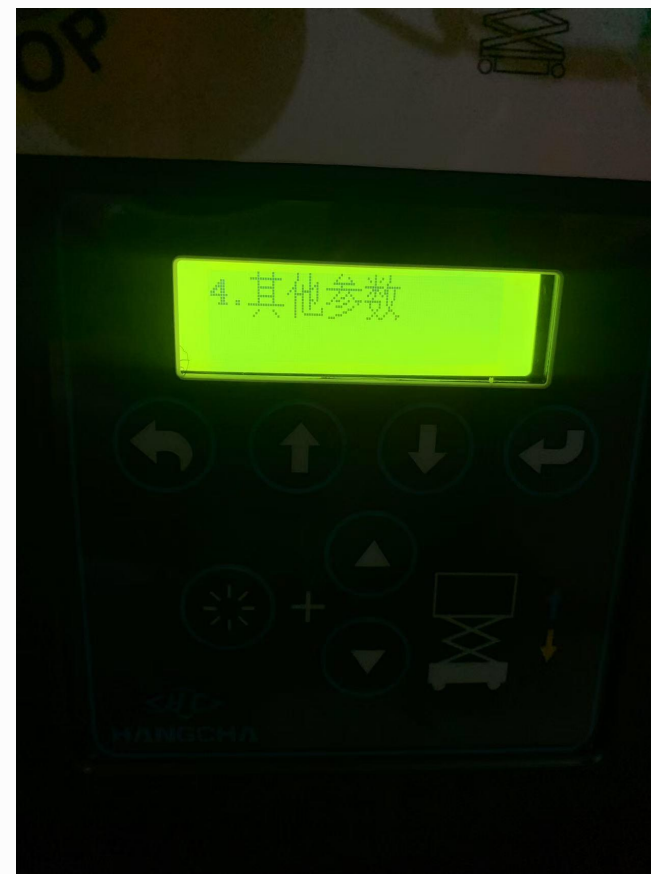

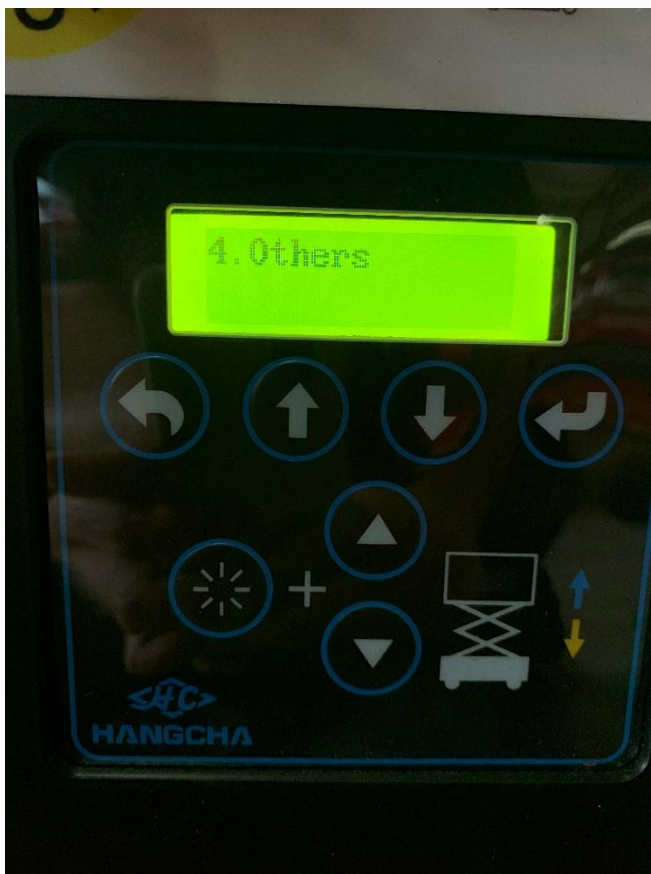

C: Current / 当前值

S: Setting / 设定值

Service is our business!

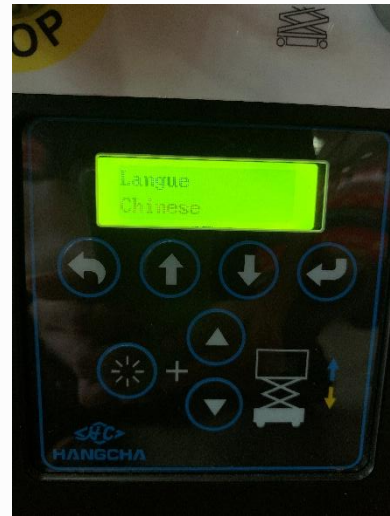

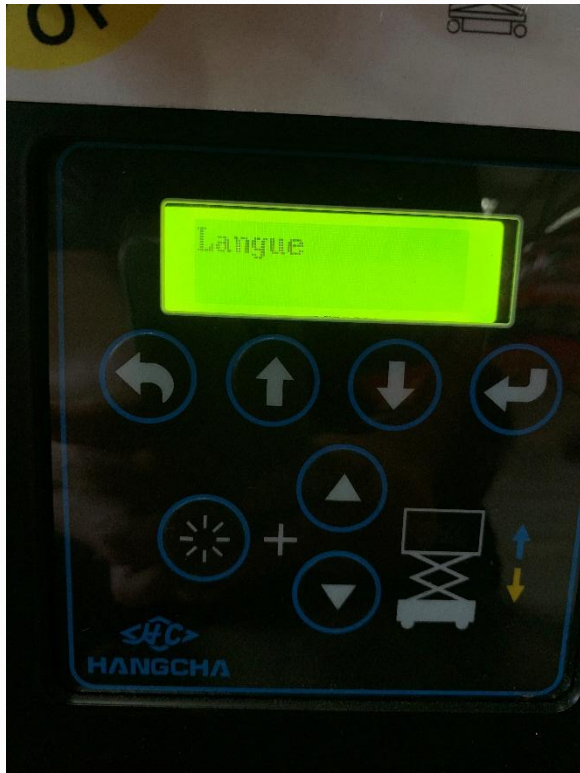

3. Parameter setting / 参数设置

4). Others / 其他参数

3. Parameter setting / 参数设置

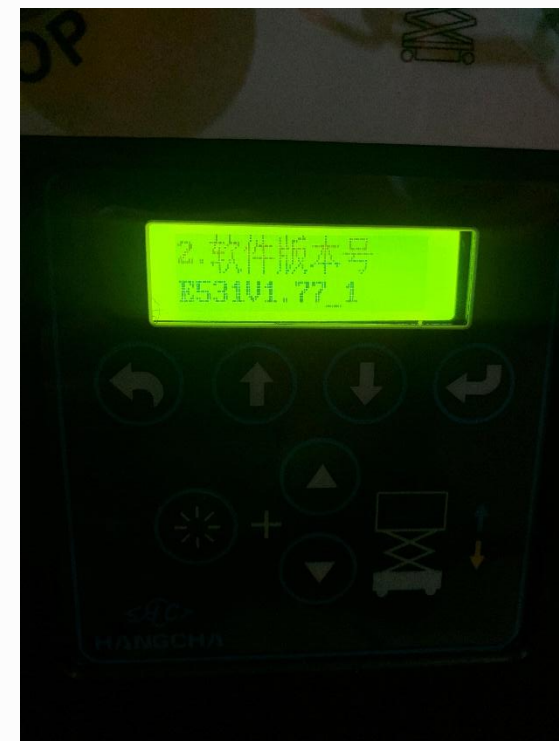

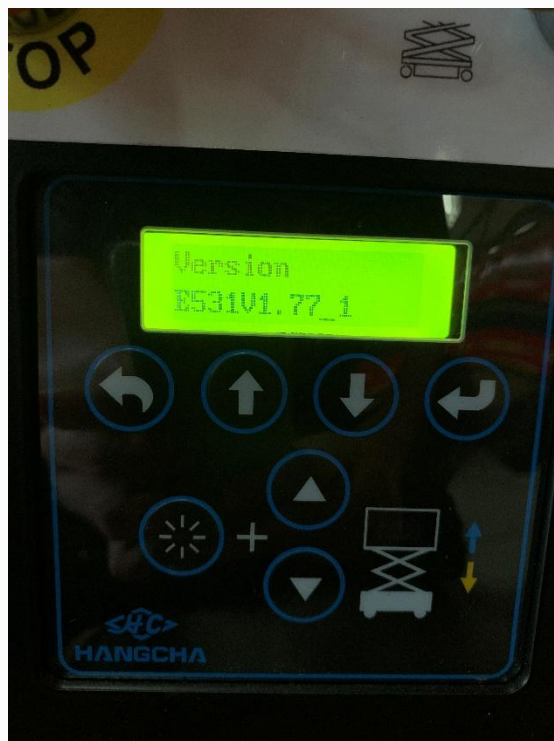

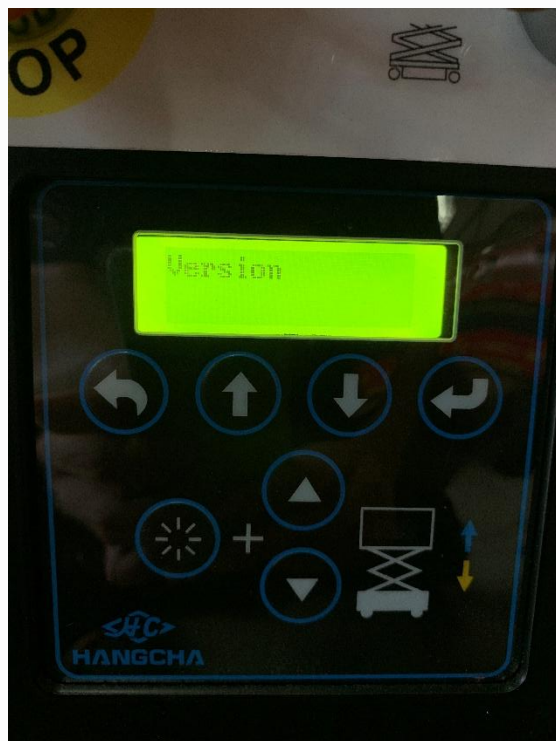

Language / 语言选择

Service is our business!

3. Parameter setting / 参数设置

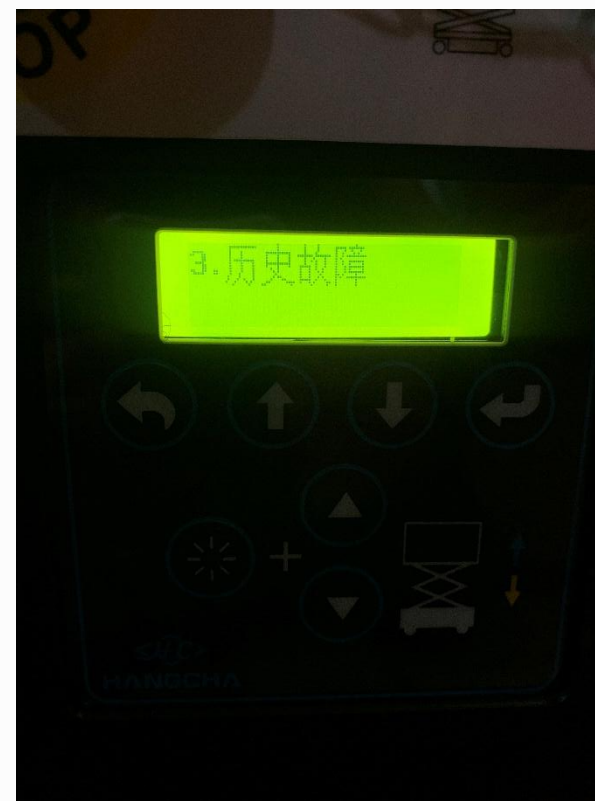

Version / 软件版本号

Service is our business!

3. Parameter setting / 参数设置

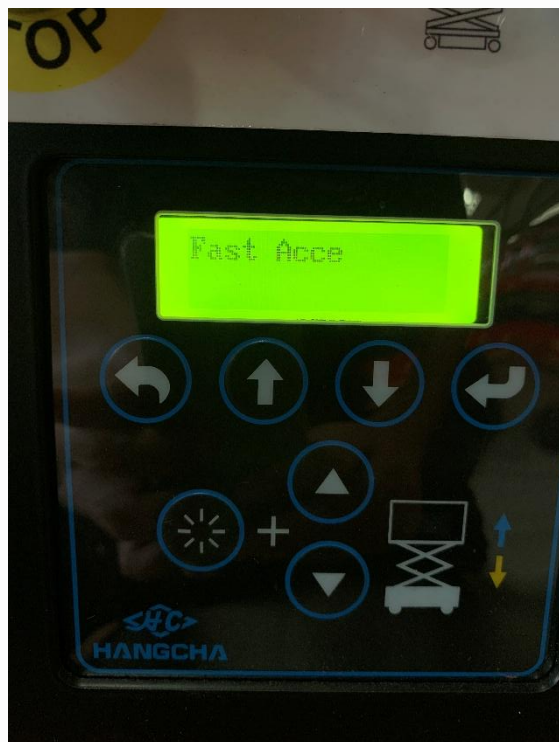

Fault History / 历史故障

Service is our business!

3. Parameter setting / 参数设置

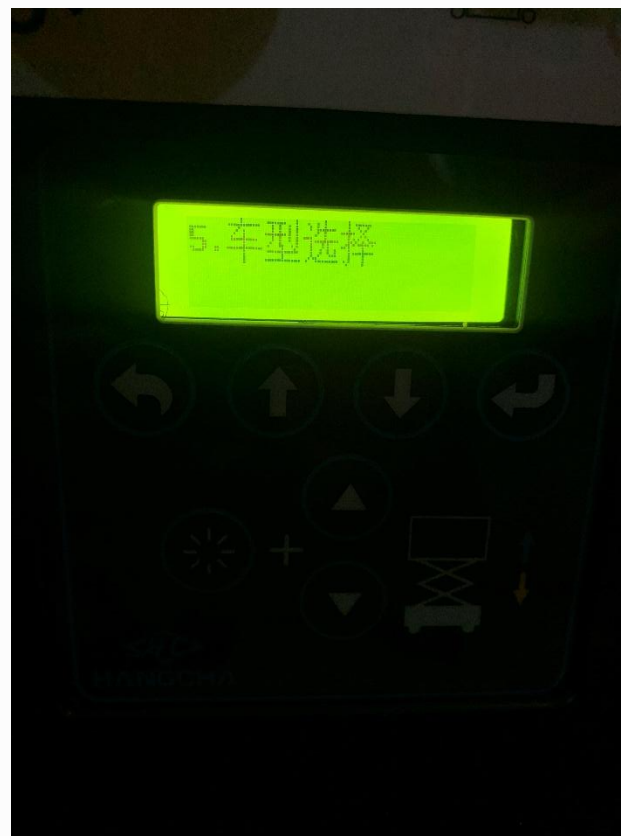

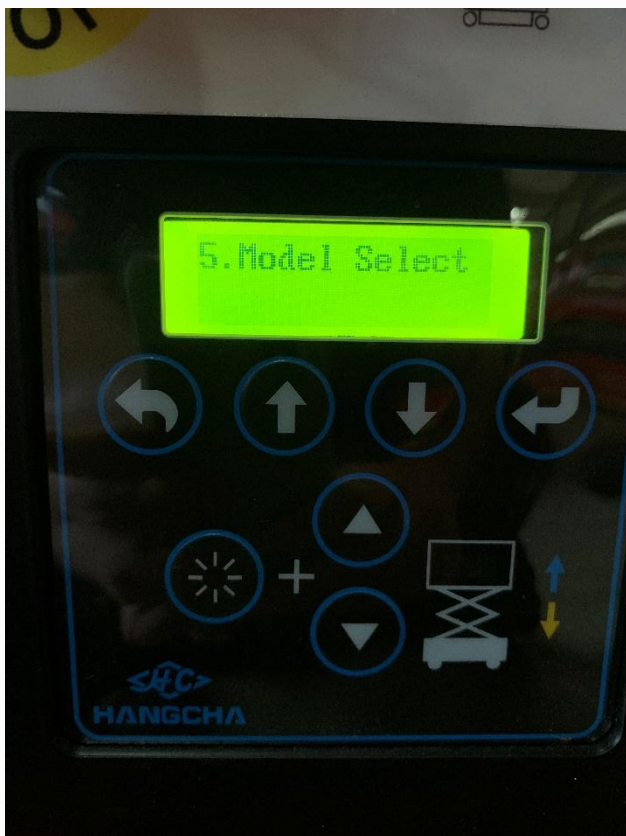

Fast Accelerate / 快速加速率

Service is our business!

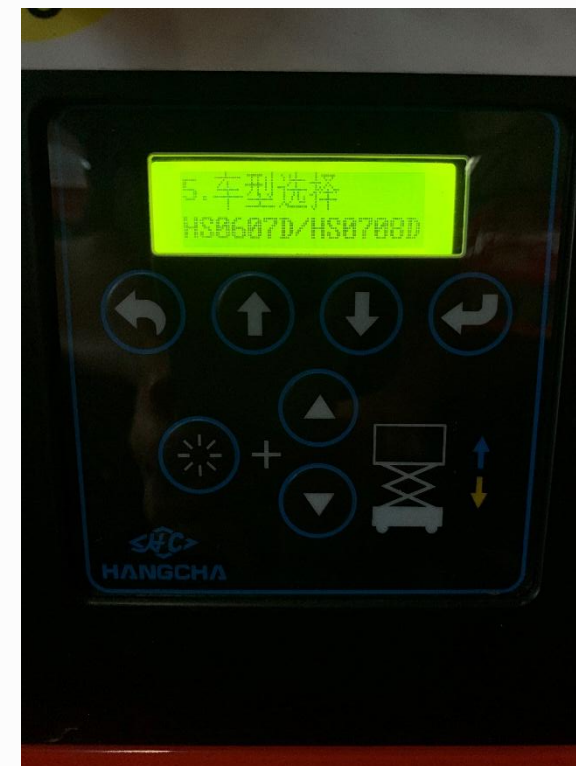

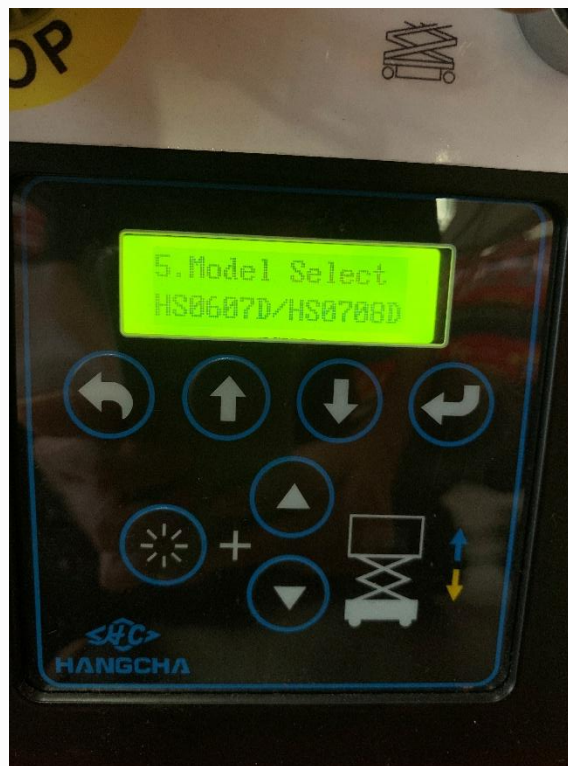

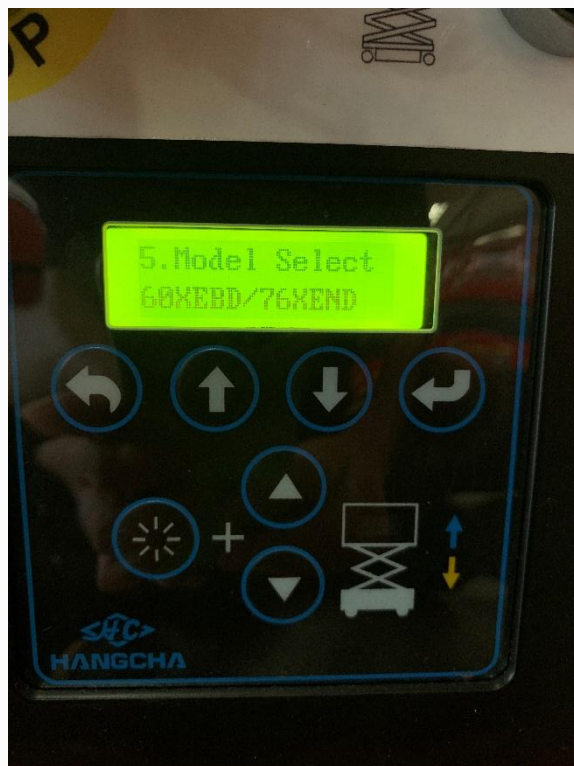

3. Parameter setting / 参数设置

5). Model Select / 车型选择

3. Parameter setting / 参数设置

Choose correct model / 选择当前车型
